*ELECTED TO OFFICE

WARRANT FOR THE 1980 ANNUAL TOWN MEETING

The State of New Hampshire

THE POLLS WILL BE OPEN FROM 8:01 A.M. to 6:00 P.M.

To the Inhabitants of the Town of HOPKINTON, in the County of MERRIMACK, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said HOPKINTON on Tuesday, the 11th day of March next, at 8:01 o'clock in the forenoon to act upon the following subjects:

I. To choose all necessary Town Officers for the year ensuing.

II. To see what action the Town will take with respect to thirteen amendments of the Town Zoning Ordinance prepared by the Town Planning Board by voting by ballot upon the following questions:

1. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

   Amend Section 6.06 by deleting the entire paragraph and substituting the following:

   6.06 – Wetland, River Frontage and Flood Plain

   1. Purpose and Intent: To preserve and protect the natural character and aesthetics of all wetlands and certain stream environments and to discourage non-farm construction in the flood plain and to avoid pollution of ground and surface water, protect wildlife habitates and natural areas and to maintain ecological balance in designated areas.
   2. Designated Areas:
      A. Wetlands which are marshes, swamps and bogs as shown on the wetland map which is a supplement to the zoning map. On site evaluation checks may be required by the Zoning Board of Adjustment or the Planning Board to determine the exact location of the designated wetlands.

      B. Any land within 75 feet of the Contoocook, Warner (Amesbury), and Blackwater Rivers. Excepted is an area from 1,500 feet upstream to 500 feet downstream of the Route 103 Bridge in Contoocook Village.

      C. The Flood Plain as defined by the modified flood profile

as determined by the U.S. Army Corps and shown on the zoning map in their approximate location. On-site elevation checks may be required by the Zoning Board of Adjustment or the Planning Board to determine the exact location of the flood lines.

3. Permitted Uses: The following uses are permitted in the designated areas: agriculture (grazing, pasture, outdoor nurseries, crops, sod farming), tree farming, lumbering, logging, wildlife refuge, conservation areas, sealed wells, parks, nature trails and farm out buildings.

   Public Utility lines are permitted by special exception. Unpaved parking, driveways and roads may be permitted in flood plain by special exception.

4. Prohibited Uses: All uses not permitted are prohibited in the designated areas including but not limited to the following: residential, commercial, or industrial buildings of any sort, sewage systems, septic tanks, leach fields, waste disposal dumping, dredge and filling, removal of topsoil, junkyard and outdoor storage.

5. No septic system shall be constructed within 75 feet of the area designated Wetland under paragraph 2A.

Yes ☐ No ☐

2. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as as follows:

Continue the present Growth Limitation Ordinance in effect in accordance with the following provisions:

GROWTH LIMITATION ORDINANCE

A maximum number of building permits for the construction of new residential buildings which may be issued during any building year shall be 40. A maximum of 30 permits shall be issued before June 1. The building year shall run from the day following the Annual Town Meeting to the date of the next Annual Town Meeting. A record holder or his agent (duly authorized in writing) shall submit an application for a building permit or permits at a

regular Selectmen's meeting in person. Permits shall be issued at regular Selectmen's meetings in order of presentation of the application; provided, however, that if at any Selectmen's meeting there are fewer permits available than the number applied for, preference will be given to record holders who have received fewer permits. A record holder may apply for and receive more than one permit up to a maximum of eight permits in any one building year. A maximum of six permits per record holder may be issued before June 1, a maximum of four additional permits per record holder may be issued between June 1 and July 15, and the remainder may be issued thereafter (but in no event more than a total of eight) may be issued to any record holder in any one building year. If in any building year less than 40 permits are issued, a maximum of ten unissued permits shall be carried forward and added to the permits available for the next building year only.

Record holder shall mean the owner(s) of a legal building lot in Hopkinton and recorded at the Merrimack County Registry of Deeds on the date of the Annual Town Meeting preceeding the current building year. Land owned in common shall not enable the owners thereof to more than the number of permits which would be available if the land were owned by one individual. If a record holder has any direct or indirect financial interest in any other lot or building for which a permit has been previously issued under this Ordinance, the previously issued permit(s) shall be deducted from the number of permits which would otherwise be available to the record holder.

Each dwelling unit shall be counted as requiring one building permit for purposes of this Growth Limitation Ordinance.

A permit may be transferred by the record holder to the purchaser of a lot. A permit may also be transferred to another lot within a subdivision provided that the lot was of record and owned by the record holder at the beginning of the year.

If a permit lapses, it shall be issued in order to the next eligible record holder.

Yes ☐ No ☐

3. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

A. Amend Table 2, Use Regulations, to permit Open Space Development in R-2 and R-3 zones only.

B. Amend Section 11 of Ordinance by adding the following new section:

11.14 – Open Space Development shall be permitted subject to the following conditions:

1. The tract shall include at least five building lots; no lot created under this section shall front on an existing Town road.

2. The development shall consist exclusively of one-family detached dwellings.

3. Overall Density: The total number of proposed lots in the development within any zone shall not exceed the number of lots which could be developed under minimum lot size requirements of that zone as shown in Table 3, taking any unbuildable land into consideration.

4. Minimum residential lot sizes shall be 45,000 square feet in the R-2 zone and 60,000 square feet in the R-3 zone.

5. Open Space: At least 25% of the total tract area must be dedicated to open space. No more than 50% of the qualifying open space may consist of unbuildable land. Such open space shall be left in an unimproved natural state. Residual land which is neither part of the building lots or dedicated open space may be used for recreational use but must be shown on the plat submitted to the Planning Board for subdivision approval.

6. The method of ownership of open space (tenants in common, homeowners association, conservation committee, etc.) and the method of maintenance of communal services (such as streets, lighting, water recreational facilities, etc.) if any, must be specified as a part of the proposal and approved by the Planning Board.

7. Minimum road frontage requirement shall be 30 feet with frontage to be determined on a lot by lot basis by the Planning Board considering street scene, location of ap-

parent density, screening from road, vegetation and topography. Minimum lot width at the house front line shall be 150 feet in the R-2 zone and 180 feet in the R-3 zone.

8. Front setback, sideline setback and height restrictions shall conform to Section 6 of the Ordinance.

9. Buffer Zones: There shall be a 100 foot buffer left in natural state between the development and existing public highways. Sensitive areas (such as those contiguous to commercial or industrial sites, unique natural features or other unusual areas) shall be buffered as determined by the Planning Board.

Yes ☐ No ☐

4. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Section 7.00 by deletion of the the section in its entirety and replacement thereof with the following:

Section 7:00
SIGNS

7.01 – General: Except as otherwise specifically herein provided, signs in all districts shall be allowed by permit only in accordance with the provisions of this paragraph. An application for a building permit shall be required for all signs but may be part of an application for a building structure. The surface area of any sign shall not exceed 15 square feet in the B-1 district, 20 square feet in the M-1 district and 4 square feet in all other districts. The surface area of a sign shall mean the part of a sign visible from outside the premises where it is located, but shall not include both sides of a sign erected perpendicularly to a highway and either used or capable of being used to carry advertising or other messages. No sign shall have neon or other gas tubular lights, flashing, bright or dazzling electrical lights or moving parts, and no sign shall be illuminated with naked or unshielded lights. Internally illuminated signs are prohibited and the hanging of string lights or advertising flags, pennants or banners is prohibited. No sign shall be placed in a position

as to endanger traffic on any street by obstructing a clear view or confusion with official street signs or signals. No privately owned sign shall be located in or extend over a public right-of-way. Every sign permitted hereunder shall be constructed of durable materials and shall be maintained in good condition and repair at all times. The height to the top of any sign shall not exceed 15 feet above the mean grade level. Off-premises signs are prohibited. No sign shall be lighted or illuminated other than during regular business hours. Whenever a particular business or industry ceases to operate at a particular location, all signs relating thereto shall be removed and unless permitted as a matter of right under this Ordinance, no new signs shall be erected in their place.

7.02 – Signs Permitted:

1. Principal Use – On any premises where a business permitted by this Ordinance is conducted as a principal use, two advertising signs relating to the business on the premises may be erected. If more than one business is permitted on the premises, a maximum of one sign shall be permitted for each business. On-premises directional signs may be permitted by special exception where multiple businesses have been permitted. Directional signs shall be for direction purposes only and shall contain only the name of the business.

2. Accessory Use – On any premises where a business permitted by this Ordinance is conducted as an accessory use, one advertising sign relating to the business conducted on the premises may be erected.

The owner of any premises may erect on those premises one sign advertising their sale or lease. One or more signs may be erected on a property announcing the name of a residence or farm located on that property, or the name of the occupant thereof exclusive of signs advertising a product or service. Also permitted is one or more temporary signs advertising farm products sold at a seasonal roadside stand located on the property where the sign is erected.

Yes ☐ No☐

5. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

   Amend Table 3 of the Zoning Ordinance to require 400 feet minimum frontage on existing Town roads in the R-3 zone and 300 feet minimum frontage on new roads in the R-3 zone built after March of 1980.

   Yes ☐ No ☐

6. Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

   Amend Section 11 by adding the following paragraph:

   11.13 – An existing dwelling structure may be converted to a two-family dwelling by special exception for temporary occupancy of members of the immediate family of the principal occupants which shall automatically terminate when no longer so occupied.

   Yes ☐ No ☐

7. Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

   Amend Table 2, Use Regulations, by the addition of the following:

   RESIDENTIAL
   1. 1-family detached dwelling
      (see section 11:13)

   Yes ☐ No ☐

8. Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

   Amend Section 6 of the Ordinance by the addition of the following provisions:

6.09 – Additions: Additions to an existing, non-conforming structure which fail to meet the dimensional and density regulations contained in Table 3 may be permitted by special exception provided that the setback of the addition is no less than the setback of the existing structure.

Yes ☐ No ☐

9. Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Table 2 of the Use Regulations under RESIDENTIAL, paragraph 6, by deleting the word "dwelling" so that the paragraph shall read as follows:

6. Conversion of existing structure to multi-family dwelling.

Yes ☐ No ☐

10. Are you in favor of the adoption of Amendment No. 10 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Section 3.04 (2) of the Ordinance by the addition of the following sentence:

Where a boundary is indicated as following approximately or parallel to a street, the centerline of the street shall be used.

Yes ☐ No ☐

11. Are you in favor of the adoption of Amendment No. 11 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend Table 2, Use Regulations, Accessory Uses, paragraph 3, by adding the phrase "or additions" so that the paragraph shall read as follows:

3. Accessory buildings such as private garage, playhouse, greenhouse, tool shed, private swimming pool, or similar

accessory structures or additions subject to provisions of Section 6.

Yes ☐ No ☐

12. Are you in favor of the adoption of Amendment No. 12 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

    Amend Table 2, Use Regulations, WHOLESALE, TRANSPORTATION AND INDUSTRIAL, by the addition of the following paragraph:

    14. Enclosed storage of raw materials.

R-1	R-2	R-3	B-1	M-1
-	-	-	S	S

Yes ☐ No ☐

13. Are you in favor of the Adoption of Amendment No. 13 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

    Change Zoning Map to rezone from R-3 to B-1 that area now designated R-3 located between Interstate 89 and Spring Street Extension.

Yes ☐ No ☐

III. To see what action the Town will take with respect to two proposed amendments of the Town Zoning Ordinance as proposed by Petition of certain voters of the Town, by voting by ballot upon the following question:

1. As to Amendment No. 1 proposed by Petition of certain voters of the Town:

   Are you in favor of the amendment of the Town Zoning Ordinance as proposed by the Petition of certain voters to change Zoning Map to rezone from M-1 to R-3 that area now designated M-1 located north and west of the Contoocook River, west of Interstate 89, and south to Pine Street known as Burnham's Intervale. SUBMITTED BY PETITION.

Yes ☐ No ☐

2. As to Amendment No. 2 proposed by Petition of certain voters of the Town:

   Are you in favor of the amendment of the Town Zoning Ordinance as proposed by the Petition of certain voters to change Zoning Map to rezone from R-3 to R-2 that area now designated R-3 being a 20 acre portion of Duston Country Club located southeast of the golf course greens. SUBMITTED BY PETITION. Recommended by Planning Board.

   Yes ☐ No ☐

IV. To see if the meeting will vote to recess its further business proceedings under the Warrant, to reconvene on Wednesday, March 12, 1980, at 7:30 P.M. at Hopkinton High School; the polls, however to continue open under Article I as declared by the Moderator.

V. To see if the Town will vote to raise and appropriate the sum of $651,900.00 for General Operation:

1. Town Officers' Salaries $38,382.00
2. Town Officers' Expenses 22,679.00
3. Election & Registration Expense 3,880.00
4. Exp. Town Hall & Other Bldgs. 20,145.00
5. Police Department 115,643.00
6. Fire Department 76,861.00
7. Care of Trees 3,000.00
8. Planning & Zoning 1,800.00
9. Insurance 48,280.00
10. Civil Defense 1,000.00
11. Conservation Commission 700.00
12. Health Department 12,351.00
13. Vital Statistics 75.00
14. Hopkinton-Webster Landfill 19,925.00
15. Highway – Winter & Summer 130,510.00
16. Street Lighting 1,075.00
17. Highway – General Expense 15,000.00
18. Libraries 19,253.00
19. Town Poor & Old Age Assistance 7,000.00
20. Memorial Day & Patriotic Purposes 2,304.00
21. Recreation – Kimball Pond 10,465.00
22. Hopkinton Community Center 550.00
23. Repairs – George's Park 4,075.00
24. Sewer Maintenance 2,500.00
25. Hydrant Rental 1,500.00

26. Cemeteries 12,580.00
27. Sidewalk Construction 1,500.00
28. Damages & Legal Expenses 13,500.00
29. Advertising & Regional Assoc. 2,751.00
30. Retirement & Social Security. 17,000.00
31. Master Plan 1,400.00
32. Merr. Valley Day Care Center 320.00
33. Community Action Program 871.00
34. Interest – Long Term. 25.00
35. Interest – Temporary. 33,000.00

(The Budget Committee recommends $649,900.00 of said appropriation and does not recommend the remaining $2,000.00 of same.)

VI. To see if the Town will vote to raise and appropriate the sum of $5,000.00 to be placed in the Capital Reserve Fund for the purpose of purchasing a new gravel pit. (This item submitted without recommendation of the Budget Committee.)

VII. To see if the Town will vote to raise and appropriate the sum of $10,000.00 to be placed in the Capital Reserve Fund for the purpose of purchasing new Highway Equipment. ($5,000.00 of said appropriation submitted without recommendation of the Budget Committee.)

VIII. To see if the Town will vote to raise and appropriate the sum of $5,000.00 to be placed in the Capital Reserve Fund for a new ambulance. (This item submitted without recommendation of the Budget Committee.)

IX. To see if the Town will vote to raise and appropriate the sum of $4,500.00 for the purchase of a new vehicle for the Town Nurse.

X. To see if the Town will vote to raise and appropriate the sum of $8,200.00 for the purpose of purchasing and installing fire alarms and emergency lighting in the Town Hall, Community Center, Contoocook Fire Station and Hopkinton Fire Station.

XI. To take the sense of the qualified voters whether the amendments to the Constitution proposed by the 1974 Constitutional Convention shall be approved.

XII. To see if the Town will vote to raise and appropriate the sum of

$30,000.00 for construction costs for the rebuilding of the Kimball Pond Dam with $15,000 of said appropriation to be derived from the Heritage Conservation and Recreation Service as a Federal Grant. (This item submitted without recommendation of the Budget Committee.)

XIII. To see if the Town will vote to raise and appropriate the sum of $14,074.00 for Town Road Aid (State to contribute $12,238.00).

XIV. To see if the Town will vote to raise and appropriate the sum of $6,000 to purchase the JAWS-OF-LIFE for the Hopkinton Rescue Squad with $3,000 of said appropriation to be contributed by the Rescue Squad Association.

XV. To see if the Town will vote to abandon that portion of Garrison Lane, starting at an iron pin located approximately 30 feet to the south of the southerly driveway on land presently owned by Wayne and Sally Patenaude, proceeding in a southerly direction approximately 500 feet to the right-of-way line of Interstate 89.

XVI. To see if the Town will vote to close subject to gates-and-bars that section of gravel road, approximately 200 yards in length, leading between Putney Hill Road and N. H. Route 103.

XVII. To see if the Town will vote to accept from Merrimack County Telephone Company a building for the Hopkinton Rescue Squad and to raise and appropriate the sum of $2,500.00 for the site preparation and foundation work for said building.

XVIII. To see if the Town will vote to raise and appropriate the sum of $30,000.00 for New Construction of highways ($22,175.00 to be reimbursed by Additional Highway Subsidy). ($5,000.00 of this appropriation submitted without recommendation of the Budget Committee.)

XIX. To see if the Town will vote to authorize the withdrawal of $15,997.73 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act for use as a set-off against the following debt service:

1974 Fire Truck $10,000.00
Note & Interest

Tyler Bridge Project $5,997.73
Note & Interest

XX. To see if the Town will vote to raise and appropriate the sum of $20,000.00 to be placed in the Capital Reserve Fund for the purpose of purchasing a new Fire Truck. ($10,000.00 of this item submitted without recommendation of the Budget Committee.)

XXI. To see if the Town will vote to raise and appropriate the sum of $700.00 for an Engineering study for the rebuilding of the Kimball Pond Dam.

XXII. To see if the Town will vote to raise and appropriate the sum of $32,980.73 as 50% payment for the Tyler Bridge Project, (an estimated $5,997.73 to be taken from Revenue Sharing Funds; Town to raise $26,983.00).

XXIII. To see if the Town will vote to direct the Selectmen to place all income received from the sale of Town vehicles and equipment into a Capital Reserve Fund for the department selling said vehicles or equipment. (This article shall not apply to the Police Department cruiser.)

XXIV. To see if the Town will vote to establish a Capital Reserve Fund for the future acquisition of land for a sanitary landfill and to authorize and direct the Selectmen to place all rental income received from the Town of Warner for its use of the Hopkinton-Webster Sanitary Landfill into said fund.

XXV. To see if the Town will vote to abandon that portion of Old Dolly Road, beginning at the intersection of New Dolly Road, so called, proceeding westerly approximately 500 feet to the right-of-way line of Interstate 89. Said road is presently closed subject to gates-and-bars and bisects land now owned by Alex Driessen.

XXVI. To see if the Town will vote to raise and appropriate the sum of $20,000.00 to be placed in the Capital Reserve Fund for the purpose of property assessment re-evaluation by the State of New Hampshire, Property Appraisal Division. ($10,000.00 of this item submitted without recommendation of the Budget Committee.)

XXVII. To see if the Town will vote to authorize the Conservation Commission to manage Town forests pursuant to the provisions of RSA 31:112 (II) and direct that all proceeds accruing from the management of Town forests be placed in a conservation fund to be managed by said Commission and utilized for the management of Town forests. If the income from the Town forests exceeds $3,000.00 in

any fiscal year, the Conservation Commission shall recommend to the Selectmen whether such excess is necessary for maintenance of the Town forests, and the Selectmen shall determine whether such excess shall be expended for maintenance of the Town forests or whether such excess shall be returned to the general fund. The Commission shall prepare an annual report describing their activities and making recommendations for the forthcoming year.

XXVIII. To see if the Town will vote to authorize and empower the Planning Board under the provisions of New Hampshire Revised Statutes Annotated, Chapter 36:19-a to extend site review authority to include multi-family dwellings other than one and two-family dwellings.

XXIX. To see if the Town will vote to close subject to gates-and-bars that section of gravel road starting at Dolly Road and proceeding in a southerly direction, approximately 400 feet to Gage Hill Road.

XXX. To see if the Town will vote to authorize the Selectmen to place the net income received from Hoague-Sprague Corp. for the excess usage of the Hopkinton-Webster Sanitary Landfill in the Capital Reserve Fund for future land acquisition.

XXXI. To see if the Town will vote to form a seven member committee to improve and update the capital improvement plan; one member to be appointed from and by the Selectmen, two from and by the Planning Board, two from and by the Budget Committee and two from and by the School Board. The committee to prepare a capital improvement plan, such plan to be a guideline to be made with the general purpose of providing for the harmonious development of Town services and the wise and efficient expenditure of public funds. The committee to prepare a yearly report for inclusion in the Town Report for adoption as part of the Town Master Plan. (See RSA 36:14 and RSA 31:62).

XXXII. To see if the Town will vote to authorize the Selectmen to sell at public auction or by advertised, sealed bids, the real estate formerly owned by Mrs. Joanne Breen located on the south side of Route 103 in Hopkinton and conveyed to the Town by deed of Sue B. Strickford, Tax Collector, dated November 16, 1976, and recorded in Merrimack County Registry of Deeds, Book 1286, Page 005 and to further authorize the Selectmen to establish a minimum amount for which the property is to be sold and the terms and conditions of the sale in accordance with the provisions of RSA 80:42.

XXXIII. To see if the Town will vote to direct that the income from Library trust funds be used exclusively for the purpose stated by the donor of the trust and not utilized to reduce general Library maintenance expenses unless the trust fund expressly permits such use.

XXXIV. To see if the Town will vote to authorize the Selectmen to sell a small piece of sprout land near the New Road to Sid W. Stockwell.

XXXV. To see if the Town will vote to accept the following Cemetery Trust Funds, the income to be used as directed, subject to such provisions as may be applicable thereto:

1. The sum of $100.00 from Conchita C. Jackson, plus the interest to date, for the perpetual care of Lot 35, Section D, Plots 1 & 2 in the new section of the Old Hopkinton Cemetery.
2. The sum of $100.00 from Doris T. Ward, plus the interest to date, for the perpetual care of the Joseph N. Tilton lot, Lot 34, Section C, in the Old Hopkinton Cemetery.
3. The sum of $100.00 from James H. & Jean C. Kimball, plus the interest to date, for the perpetual care of Lot 3A, Section D, Plots 1 & 2, in the New Hopkinton Cemetery.
4. The sum of $200.00 from Arthur O. & Katherine P. Lawson, plus the interest to date, for the perpetual care of Lot 43A, Section E, Plots 1, 2, 3 & 4 in the Contoocook Cemetery.
5. The sum of $100.00 from Max & Lottie Woetzel, plus the interest to date, for the perpetual care of Lot 204, Section E, Plot 4 and Lot 206, Section E, Plot 1, in the Contoocook Cemetery.
6. The sum of $200.00 from Raymond K. Perkins, plus interest to date, for the perpetual care of Lot 46, Section W, Plots 1, 2, 3 & 4, in the Contoocook Cemetery.
7. The sum of $100.00 from Pauline V. Banks, plus the interest to date, for the perpetual care of Lot 225, Section E, Plots 3 & 4, in the Contoocook Cemetery.
8. The sum of $200.00 from Irl V. & Bernice M. Young, plus the interest to date, for the perpetual care of Lot 31, Section E, Plots 1, 2, 3 & 4, in the Contoocook Cemetery.
9. The sum of $100.00 from Ross L. & Mabel I. Hilton, plus the interest to date, for the perpetual care of Lot 12A, Section A, Plots 1 & 2, in the Contoocook Cemetery.

XXXVI. To see if the Town will vote to expend the income, during the current year, from the G. Everett Kelly Fund, one-half for the benefit of the Hopkinton Village Library and one-half for the benefit of Bates Library.

XXXVII. To see if the Town will vote to accept the sum of $95.00 to be added to the principal of the Glenn M. Haselton Memorial Fund in 1979.

XXXVIII. To see if the Town will vote to accept the sum of $235.00 to be added to the principal of the Katherine Eaton Semple Memorial Fund in 1979.

XXXIX. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of the 1980 tax levy.

XL. To act on reports of Town Officers, Trustees and Committees for the year 1979.

XLI. To hear and transact any other business that may legally come before said meeting.

Given under our hands and seal, this 19th day of February, in the year of our Lord nineteen hundred and eighty.

Thomas H. Johnson, Jr. Chairman
Janet L. Krzyzaniak
W. L. Woodard

REPORT OF THE HOPKINTON BOARD OF SELECTMEN

The year 1979, as in recent years, presented the Selectmen with an ever increasing amount of paperwork and decisions to be made.

To cope with an increasing workload, the Selectmen increased their number of monthly meetings. Accordingly, the Selectmen now meet four Wednesdays a month; the first and third Wednesdays are public meetings, and the second and fourth are administrative meetings. In addition, several miscellaneous work meetings have been held each month.

Accompanying the increased paperwork, meetings, and general traffic has been an awareness for additional office and meeting space.

The sewer project received final approval at a Special Town Meeting in May. The Town is currently scheduled for priority funding in 1982. Accompanying construction of the sewage treatment facility will be the adjoining construction of the new Town Garage. A capital reserve fund has already been established for this purpose.

E. D. Swett Construction was low bidder on the Tyler Bridge Project. Scheduled completion is October 15, 1980. However, they are expecting to finish construction by mid-summer. This year's mild winter and estimated early completion should minimize the disruption for all concerned. Special thanks to all involved landowners for their cooperation.

This year's T.R.A. (Town Road Aid) project was to improve a large portion of Briar Hill Road. This will be completed in 1980.

The Selectmen, after reviewing the Master Plan, wish to thank the many people involved for their many hours of effort in completing this plan. Results of the Master Plan Committee and Planning Board efforts will, in part, be seen in the proposed changes to the zoning ordinance at March Town Meeting 1980.

Through careful planning and setting aside capital reserve monies, the Town has purchased the following new equipment: two dump trucks, a sander and an ambulance. Additional purchases include a computer tape register for the Tax Collector, an IBM typewriter and Avanti for the Selectmen's Office.

In mid-summer, A David Dufault was appointed Building Inspector. Hopefully, with a Building Inspector, we can avoid many problems of the past. Simply stated, whatever you construct will, in all probability, require a building permit.

Preparations are now underway for a reassessment of the Town. This will commence in late 1980 with scheduled completion in mid-summer of 1981.

Plans are still being formulated for continued improvements in traffic flow, safety, and aesthetic value, in both Hopkinton and Contoocook Villages.

We would like to extend sincere thanks to all Town employees for their cooperation and efforts given us during the past year. We would also like to give special recognition to the many volunteers, who gave so much to the Town and without whom neither we, nor the Town, could function.

We would be remiss if we did not single out one individual – Bob Houston –

for his many, many years of service in the Fire Department and on the Zoning Board of Adjustment. Bob's dedication to the protection and care of property and human life was a great asset to Hopkinton. In continuing this service, we feel indeed fortunate to have Tom Krzyzaniak as our new Fire Chief, with Wayne Flenniken and Peter Russell as Deputy Fire Chiefs.

To the Town Citizens, we extend our sincerest thanks for your understanding and cooperation. As the Town of Hopkinton continues to grow, our Town problems, paperwork, etc., sometimes seem overwhelming. Rather than address ourselves to problems, we would rather look to the challenges ahead—such as increasing traffic, building construction, expansion of Town offices, additional personnel, etc. We are fortunate because we feel that the citizens of Hopkinton have the desire to meet these challenges with us; and cooperating and working together, we will.

HOPKINTON BOARD OF SELECTMEN

Thomas H. Johnson, Jr., Chairman
Janet L. Krzyzaniak
W. L. Woodard

COMPARATIVE STATEMENT OF APPROPRIATIONS AND EXPENDITURES 1979

	Approp.	Expend.	Credit	Balance

NOTES TO REPORT

a. As of December 31, 1979 the restriction to citizens "native" to Hopkinton has been removed from the Mary L. Flanders Fund.
b. Dividends or interest received and deposited to savings account.
c. Transfer to common fund from individual fund.
d. Bank does not pay interest on balances of less than $25.00.
e. Reserve funds expended for intended purpose; total transfer to general funds was $19,629.00.
f. $11,800.00 from savings account was invested in certificate of deposit for six months.

We hereby certify that the information contained in this report is complete and correct, to the best of our knowledge and belief.

HOPKINTON PUBLIC HEALTH NURSING ASSOCIATION NURSE'S REPORT

The year has flown by and I am excited to tell you about public health care in your community. 1,353 home nursing care visits were made in a period of 241 work days – that averages about six patients a day!

Let me share with you some facts concerning community nursing. The community health nurse still makes housecalls! She provides health care to patients in their own homes by decision of the professional health care team (doctor, nurse), the patient, and the patient's family.

Often the community health nurse must function as a teacher, instructing the family in the physical care of the patient and helping them to cope with the problems resulting from the patients convalescence.

The nurse also plays the role of counselor; she observes family life and notes the health care needs of all members of the family from the newborn to the elderly.

Nursing services that are provided include dressing changes, injections, treatments ordered by the physician, newborn and pre-school visits, blood pressure checks, care of the sick and elderly. Also available are the services of an Occupational Therapist, Physical Therapist, Speech Therapist, Dietician, and Homemaker/Home Health Aide – through contract with Concord Regional Visiting Nurse Association.

Blue Cross and Blue Shield have provided funds for a pilot program for mothers and babies delivered at Concord Hospital. It hopes to answer the national and local trend toward early discharge from the hospital. The Early Maternal and Infant Discharge (E.M.I.D.) provides for scheduled follow-up visits for which I have been specially trained, as well as homemakers. These services must occur within 14 days following discharge.

Referrals for nursing visits are made through many channels – the discharge coordinator at the hospital, the doctor, friends/neighbors, other agencies and, of course, the patient himself.

There is no fee for nursing services by the community health nurse to the residents of Hopkinton. Financial support comes from town funding, donations, and Medicare payments for homebound patients needing skilled nursing care. Donations received this year were $170.04, and $1,630 (three-quarters) from Medicare.

Due to the Dial-a-Ride program, transportation by the nurse may, in many cases, be no longer necessary. Transportation to area health facilities may be arranged by calling 746-HELP.

This year we will be offering a Blood Pressure Clinic the third Wednesday of each month. It will be held at the Community Center after the senior meal. There will be pamphlets on health care available, or, if you have a question, the nurse will be there to answer it.

Other programs are in the planning stages and we will share them with you as

they become operational. For more information regarding any of these services, of ir you think you might qualify for them, please call the office 746-3213 Monday through Friday, 9 A.M. to 5 P.M. My thanks to Kathy Schoch, the police dispatcher, who answers the phone and makes sure I get the message; there were 830 phone calls received this year (404 in 1978), so she's been busy.

The reason for our existence is for the betterment of the health needs in your community. Please let us know if we may be of service to you.

Respectfully submitted,

Dale W. Wormhood, R.N.
Hopkinton District Nurse

1979 POLICE DEPARTMENT REPORT

This year has seen a number of increases in the crime rate. The most glaring are in malicious damage, prank calls, drugs and thefts. In at least two of these areas an increase in citizen awareness can help stem the tide. If the citizens of the community will call their police department any time they even suspect they have received a prank call or think malicious damage may be occurring, it will go a long way in helping us stop these crimes. I am sure everyone realizes that our cruiser can not be everywhere at once and only by the conscientious help of the people can some of these crimes be stopped.

In an inflationary time thefts always increase. We have initiated programs to help curb this rise and protect the property of our citizens. We hope to see the results of these programs within the coming year. We may proudly point out that our burglary prevention program has shown excellent results. The burglary rate has dropped by 50% from last year.

A major project for the coming year must be focused on the drug problem within the community. Making the parents of the town aware of what the drug problem is all about, what drugs are being most abused and how to recognize them. Juvenile problems are on the rise. Today's youths have the mobility which can sometimes lead to trouble. Do parents ask themselves "Do I know where my children are?" or maybe "Do my children know where I am?" Better communication between the generations is a goal we should all strive for. Can our children rely on us to understand their problems and the peer pressure that they face daily. Will you know how to handle the problem of your child involved with drugs? It is one of our goals to provide you with any information or assistance you may need to meet this problem.

As the police department functions within the community it must rely on the help of other departments. The Fire Department and the Rescue Squad have always been ready and willing to give their assistance. I wish to thank them and to congratulate them on the impressive job that they have done. The Highway Department has always responded to our calls without delay. Many times it is this fast response that makes our roads safe to travel. It is only right to point out that without the support of the Selectmen to all departments we would be unable to function as a cohesive unit. I must take this opportunity to thank them for all their support during the past year.

It is my hope that you, the citizens of Hopkinton, will join me in another thank you. Without the dedication of the officers of this department nothing could be accomplished. Every officer extends himself fully both in the performance of his duty as well as in his seeking the education to best serve the community. These individuals deserve full credit for a job well done.

Respectfully submitted,

Chester L. Jordan
Chief of Police

IN APPRECIATION

CHIEF ROBERT C. HOUSTON
Hopkinton Fire Department

Volunteer – 1952-1972
Chief – 1973-1979

HOPKINTON FIRE DEPARTMENT

At the beginning of the year, our EMT's completed a recertification course, with six 3-man squads now manning the ambulance. Each squad is on call for one week at a time. Some of the men have taken further courses and are now certified instructors. The Rescue Squad has converted its pagers and is now dispatched by Fire Alarm. This gives them a much shorter response time, for they are dispatched right along with us.

While negotiations and legal work were being done with Mr. Leadbeater for a lease on a piece of land on Beech Hill for a capital area dispatch transmitter, one of our remote units was installed in Concord and our transmitter used for dispatch. This allowed the town to benefit immediately from the five-mile limit from a fire station for insurance reduction.

The 1947 Chevrolet tank truck, being no longer serviceable, was decommissioned. Its new pump and other serviceable parts will be used on a 6 x 6, 2½ ton Army vehicle which we are building into a Forestry tank truck, carrying 1000 gallons of water. We hope to have it in service for the spring fire season.

We cosponsored a "Captain No-Burn" program in the graded schools. This is a program of home fire safety. We also cosponsored with the Police Department a high school scholarship, and sponsored Cub Scout Pack no. 77.

We wish to thank all that participated in the Dana Krzyzaniak fund-raising raffle, dance, and barbecue. Also a thank you to all that participated in our annual Thanksgiving Benefit, especially in the light of rising prices.

I believe that eighteen chimney fires for the year is a record, but not one to be proud of. Several have been in improperly built, or badly deteriorated chimneys, and have set partitions afire. Wood and papers stored too close to wood-burning stoves have caught fire, damaging property and endangering life. So we implore you to check, or have someone else check your installations and keep them neat.

The new ambulance was put into service in November. It is a very well-made vehicle; roomy, stable, and the EMT's like it very much.

We have our own fire training officer who completed a three-year fire sciences college course, and is now holding regular training sessions.

Inasmuch as we are now being dispatched by someone who has charge of more than a dozen towns, it is very important when calling in an alarm that you do the following: GIVE YOUR FULL NAME, ADDRESS, TELEPHONE NUMBER, AND TOWN YOU LIVE IN.

Every man is now equipped with a pager and our average response time from tone-out to vehicles enroute has been 2.8 minutes, the third fastest in the mutual aid compact, with 2.7 and 2.5 ahead of us.

Have a safe and healthy year.

Respectfully submitted,

Leslie C. Townes, Clerk
Thomas Krzyzaniak, Fire Chief

LOG OF HOPKINTON FIRE DEPARTMENT – Nov. 1, 1978 to Oct. 31, 1978

Note: We are utilizing a 24 hour clock –

0300 hrs – 3:00 am
0900 hrs – 9:00 am
1200 hrs – noon
1800 hrs – 6:00 pm
2400 hrs – midnight etc.

October Ambulance Runs: 20

Ambulance calls: 257, up from 221 last year
Fire Calls: 151, up from 123 last year

Respectfully submitted,

Leslie C. Townes
Clerk

We think this chart is worth printing again, as the last couple of years show a dramatic increase in alarms, and it looks like the current year is to be no exception.

YEAR	TOTAL FIRE CALLS	TOTAL AMBULANCE CALLS
1948	34	
1949	36	
1950	35	
1951	22	
1952	41	
1953	26	
1954	23	
1955	27	
1956	28	
1957	29	
1958	25	
1959	33	
1960	26	
1961	33	
1962	29	45
1963	44	48
1964	56	73
1965	36	70
1966	49	70
1967	28	76
1968	60	78
1969	46	94
1970	39	93
1971	50	88
1972	47	131
1973	55	142
1974	100	124
1975	104	142
1976	81	168
1977	98	188
1978	123	221
1979	151	258

It is noteworthy that the number of man-hours already expended during the months of December and January total over half of the 1979 man-hours logged-in.

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municiple forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

1979 Forest Fire Statistics

HOPKINTON PLANNING BOARD REPORT

During 1979, the Town Planning Board approved subdivisions creating about 30 new building lots, 13 of these being one subdivision which will be phased. The rate of subdivision application seems down due to both the state of the economy and the Town's limits on growth.

The Town owes a tremendous vote of thanks to the Master Plan Committee for the work they have done over the past two years. As a result of their report, the Planning Board is proposing changes in the Zoning Ordinance to continue regulating Town growth.

We urge your support for the proposals.

Respectfully submitted,

Donald Houston

MASTER PLAN COMMITTEE REPORT

The Master Plan Committee worked throughout last spring and this fall. The committee's report was submitted to the Planning Board on October 1, 1979. The report contains historical background on the work of the Committee and recommendations for changes to zoning – by law. The committee was further charged by the Planning Board to look at several specific problems not addressed by the original report. New subcommittees were formed in December and will be working this winter/spring on these specific areas of concern. The Master Plan reports are available at the Selectmen's Office at $3 per copy.

We hope the Town will support the efforts of the Committee by approving the By-law changes suggested in the report and presented by the Planning Board.

Respectfully submitted,
LEE B. MARDEN

HIGHWAY DEPARTMENT REPORT

The winter of 1979 started with several storms that began as snow and ended with heavy freezing rain. This type of storm is very hard to deal with, and is the most expensive. It looked as though we would run into some budget problems, but the year ended with November and December mild and dry, which saved the bottom line.

We can usually expect one or two rainstorms each Spring that wash out certain areas on back roads. This year there were six heavy rainstorms that did considerable damage. This made us greatly aware of the need for more drainage and ditch work throughout the Town. Time and weather seem to dictate how much construction work we can accomplish each year, between winter maintenance, the spring mud, preparation for the next winter, along with the regular road maintenance, there are only four months to accomplish those construction projects selected for any given year.

In 1979, the department rebuilt 1700' of Kearsarge Avenue which was in very bad condition.

We also started on a 4000' section of Briar Hill Road, and are about 70% completed.

There were also several areas that were improved by ditching and drainage work, and several areas where gravel was hauled and spread. A 3000' section of Bound Tree Road which has been a great problem relative to maintenance in the past, was surfaced with three to four inches of crushed gravel.

This year the Town accepted two more roads to be maintained by the Department, those being Gallopping Hill Road in the Hatfield section and Clarke's Road near the Concord Line.

The Highway Department purchased two new dump trucks in 1979. These trucks will replace two 1967 trucks and one 1973 truck. We are in hopes that this will cut down on maintenance time and will be more dependable in giving the Town better service.

On November 27th, E. W. Sweatt Corp. started construction of the new bridge in the Tyler District, across the Contoocook River. I am certain that the end result of this project will be worth the inconvenience at present to the Town Departments and the Townspeople who depend on this bridge.

Each year as the Town grows, cooperation between the various departments becomes increasingly important. A closer association and interaction between Departments is very evident, rendering greater service to the Town of Hopkinton. In this vein, I would like to thank the Fire Department and the Police Department for their continued help and cooperation; and look forward to even closer, more supportive interfacing in the coming year.

Respectfully submitted,

David A. Story
Highway Agent

TOWN POLICY FOR WINTER MAINTENANCE

1. **SNOW PLOWING**: The Town vehicles begin plowing when the snow has accumulated 2 to 3 inches. After roads are clear, sanding and salting will begin.

2. **WINTER FREEZING RAIN STORM**: It is important to note that ***salt*** or ***sand*** is wasted if applied before rain stops. There is nothing the highway department can do during a freezing rain storm. However, as soon as the rain stops, salt and sand will be applied to the roads.

3. **CLEAN ROAD POLICY**: The Town of Hopkinton, like most communities and cities, does not have a clean road policy. In other words, all roads and streets will not be kept completely clear of snow and therefore only caution can be advised for winter driving. Salt will be applied to all tar roads, however where the shaded areas are found, there will be some snow or ice spots. The amount of salt is limited and will be used sparingly. Dirt roads will be sanded, but a build-up of ice cannot be helped so re-sanding is necessary; but with ice under the sand, it still makes instant stops impossible.

4. **PLOW ROUTES**: Each plow route is approximately 15 miles long and takes 3 to 4 hours to cover. So, if plowing is started with two inches of snow, by the time the vehicle finishes the route 3 or 4 hours later, there could be up to 6 inches of snow on the first part of his route. Therefore, during a heavy snowstorm, at times, there will be snow on the roads.

David Story,
Road Agent

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission has been in existence since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. The Commission acts as an advisory body to its member municipalities and as such is often invited to participate in local planning projects. As a part of the ongoing technical assistance provided, the Commission has been pleased to be able to assist the Planning Board in the following areas: master plan development, review of changes in state laws, review of changes to local regulations, models on cluster development and interpretation of state laws.

The Commission, this past year, hosted seminars on capital improvements programming and the fall legal seminars. Again the Commission was pleased to see representatives from Hopkinton present.

The Commission hopes to be able to continue to serve the needs of its member municipalities in the future and appreciates the past support of its activities by the Town of Hopkinton.

Respectfully submitted,

Richard Brunel

the Commission

COMMUNITY ACTION PROGRAM – CONCORD AREA CENTER

The Community Action Program, Belknap-Merrimack Counties, Inc. utilized funds appropriated at 1979 town meeting to continue services to low-income residents of Hopkinton through its Concord Area Center. In addition to assistance with housing, welfare, nutrition, and food stamp problems, families sought help through the Rural Transportation System for the elderly; Elderly Nutrition Program; Operation Green Thumb community gardening program; E.E.A.P. Program for assistance during fuel crises; Home Weatherization Program; Community Food Project for assistance in food emergencies; Family Planning Program; the Food Cooperative and the Senior Companion Program.

In seeking a 1980 appropriation from Hopkinton, Community Action Program is requesting local funding support to maintain operations at the Concord Area Center and the continued delivery of services by the Center staff. We gratefully acknowledge the support and cooperation shown by the Hopkinton Board of Selectmen, Budget Committee, and townspeople for these efforts.

Marilyn L. Perkins
Acting Concord Area Director

BOARD OF ADJUSTMENT

During calendar year 1979, the Board acted upon 45 applications. There were 9 special exceptions granted and 2 were denied. There were 27 variances granted and 7 were denied.

The Board wishes to thank William O. Mueller, Jr., whose term expired in 1979, for his service. The Selectmen appointed James P. Hargrove as his replacement. The Board also wishes to welcome its new secretary, Jill Peterson, and to thank Angela Kelley for her help.

Revisions have been made in the Zoning Board of Adjustment application form, and with the help of the Selectmen and the Building Inspector, compliance with the Hopkinton Zoning Ordinance has improved.

Remember, most businesses and building or sign construction or remodeling requires a building permit. If in doubt, check with the Building Inspector.

The Board would also encourage Hopkinton residents to attend Zoning Board of Adjustment meetings (first Tuesday of the month, 7:30 p.m. at the Town Hall), to study the proposed amendments to the Zoning Ordinance and to vote on them at the March 1980 town meeting.

ZONING BOARD OF ADJUSTMENT

James P. Hargrove
Warren Hedden
Lloyd Holmes
Gary B. Richardson
Leland A. Wilder, Chairman

HOPKINTON CONSERVATION COMMISSION

The Commission met eleven times during the year, including two meetings with the Selectmen. Three of the members attended the fourteenth annual meeting of the municipal conservation commissions at Plymouth in November. This meeting had a day long schedule of workshops and field trips. One of the workshops discussed the creation by the Legislature of a seventeen-member Wetlands Board and designation of "prime wetlands" by cities and towns. This new law should lead to more effective wetland regulation and greater participation by Conservation Commissions.

We continued our education program and sponsored two high school students, Douglas Gourley and Clifford Ruggles, to the New Hampshire Youth Conservation Camp that is conducted by the Society for the Protection of New Hampshire Forests each summer.

At our request, the Board of Selectmen approved the increase of our membership to seven. Jan McLure, Land Protection Associate, Society for the Protection of New Hampshire Forests, and William Fuller, former employee of the N. H. Water Supply and Pollution Control Commission were made new members.

Considerably basic work has been done on a plan for Town forest management. This effort was headed by Ronald Klemarczyk, Forest Management Technician, with the State, who volunteered his services. During the summer he made a reconnaissance of six Town-owned wood lots, totalling approximately 275 acres, to establish their location and forest management potential. It was found that of the six, only two appeared to have some immediate timber potential. Another two had been cut-over in 1976-77 and future cuttings will depend upon the rate of maturity of the residual stand. Of the reamining two, one consists largely of a discontinued gravel pit and the other is still in the process of regeneration from a past logging operation.

All areas were found in need of boundary work and corner establishment.

It is expected that an article in this year's Town meeting warrant will give the Town forest management to the Conservation Commission. If this happens, then the Commission will look into the use of State Foresters, under the Town Forest Assistance Program, for complete inventory of the lots and recommendations as to proper management. It would be our goal to see that all Town forests be covered by a sound forest management program and their recreational use be recognized.

Respectfully submitted,

Allen Lewis, Chairman

CIVIL DEFENSE

Again this year the Civil Defense Department has concerned itself with maintaining a preparedness for major and minor emergencies and operating the Civil Defense Rescue Squad. As has been the case every year since the squads inception (1965) its volunteers have given many hours of their time to maintain a readiness for any and all emergencies.

The Rescue Squad is still the most active function of the Civil Defense Department and it operates in close cooperation with the Fire and Police Departments through the provision of personnel and specialized equipment for heavy rescue operations. Early in 1979 the Rescue Squad changed over to the Town's local Fire Department dispatch and then to Concord's central dispatch system. This has enabled the Squad to work more closely with the Fire Department and has greatly improved response time in emergencies.

During the past year a major effort has been put forth by the squad members in order to obtain the "Jaws of Life" rescue tool. Securing this piece of equipment has been our primary concern and we are still working toward that goal. We would like to thank all those who have donated to this project, aided the Rescue Squad through donations and supported our annual auction.

Respectfully Submitted,

John D. McGregor, III
Bruce C. George

March 13

REPORT OF ANNUAL TOWN MEETING

Moderator, Philip S. Dunlap, called the meeting to order at 8:01 o'clock in the forenoon and read an attested copy of the Warrant.

Rev. H. Dwight Blakeslee gave the invocation.

Article I: The following was offered by Janet Krzyzaniak and moved its adoption, seconded by David Packard:

I nominate the following Town Officers for the term of one year, and move that the Clerk be instructed to cast one ballot:

Firewards:	Leonard L. George, Raymond C. Proctor, Stanley L. White
Fence Viewers:	Alfred N. Chandler, Roy Kimball, George W. Bean
Tree Warden:	Erlon Salsbury
Weigher:	Roger M. Andrus
Sexton:	Bernard G. Foster
Surveyors of Wood and Lumber:	Robert York, Angus P. Derry, Arthur S. Duston

Adopted in the affirmative.

Article II: The following resolution offered by Thomas Johnson and moved its adoption, seconded by Jonathan Clarner:

Resolved by the Town of Hopkinton, in town meeting covened, that the meeting recess its further business proceedings under the Warrant, to reconvene on Wednesday, March 14, 1979, at 7:30 P.M., at Hopkinton High School, the polls however, to continue open under Article 1 as declared by the Moderator.

Adopted in the affirmative.

After the ballots were counted, the Moderator declared the following results:

Regular ballots cast	1,023	Names on check list	2,419
Absentee ballots cast	13		
Total	1,036		

Selectman (3 years):
John F. Donnelly, III 249
Wayne L. Woodard 448
Robert York. 305
Town Clerk (1 year): David B. Packard 833
Town Treasurer (1 year): Owen L. French 922
Tax Collector (1 year): Sue B. Strickford. 947
Budget Committee (3 years):
Andrea M. Jordan 422
Erick Leadbeater. 813
Faith Astles Duclos 227
Overseer of Public Welfare (1 year):
Barbara S. McCabe. 940
Trustee of Trust Funds (3 years):
Barbara S. McCabe. 930
Library Trustee (3 years): Paul S. Otis. 920
Cemetery Trustee (3 years): David B. Packard. 891
Auditor (3 years): Constance Rinden 127
Judi Hill 28

The Moderator then declared the following elected:

Selectman (3 years):	Wayne L. Woodard
Town Clerk (1 year):	David B. Packard
Town Treasurer (1 year):	Owen L. French
Tax Collector (1 year):	Sue B. Strickford
Budget Committee (3 years):	Andrea M. Jordan
	Erick Leadbeater
Overseer of Public Welfare (1 year):	Barbara S. McCabe
Trustee of Trust Funds (3 years):	Barbara S. McCabe
Library Trustee (3 years):	Paul S. Otis
Cemetery Trustee (3 years):	David B. Packard
Auditor (3 years):	Constance Rinden

The meeting reconvened on Wednesday evening, March 14, 1979, at 7:36 P.M.

Rev. Robert Daggert gave the invocation.

The Moderator asked for a moment of silent prayer for Town Officers recently deceased; Marion MacLean, a former Tax Collector and Walter Crory, Chief of Police for many years.

The Girl Scouts presented a short program, with the Color Guards leading in the flag salute and the singing of America.

The Moderator gave the result of the voting and stated that it had been announced Tuesday at the end of the balloting for the convenience of the voters and he had declared the Officers elected.

The Warrant was read by the Moderator as required by statute at the opening of the meeting Tuesday and the Articles would be properly presented. He also stated that candidate for Selectman, John F. Donnelly, III had a tragedy in his family Monday night and could not be at the polls on Tuesday. His father died very suddenly. Also, that Selectman, Janet Krzyzaniak was not with us this evening due to the serious illness of her mother.

Article III: The following resolution offered by David Packard and moved its adoption, seconded by Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $541,665.00, as enumerated in the Town Warrant and printed in the Town Report, be and is hereby raised and appropriated for general government operation.

Adopted in the affirmative.

Article IV: The following resolution offered by David Packard and moved its adoption, seconded by Peter Dwyer:

Resolved by the Town of Hopkinton, in town meeting convened, that in the interest of public safety upon the town's highways, the Town of Hopkinton will vote to restore and maintain as a town road, the roadway running to the north and west of the First Congregational Church in Hopkinton Village connecting Briar Hill Road to Route 103 to Contoocook Village and also that said roadway shall be closed to through traffic on Sunday mornings. (This article submitted by petition).

Amendment offered by Peter Dwyer, seconded by Richard Strickford:

Strike out the original article and substitute in place thereof the following:

To see whether, in the interests of public safety upon the town's highways, the town of Hopkinton will vote to direct the Selectmen to improve the point in front of the Congregational Church at the junction of Briar Hill Road and Route 103 by having the light pole moved and by both widening the entrance to and raising the level of Briar Hill Road and by regrading the lawn in front of the Congregational Church to provide for good visibility. This is done with the agreement of the Congregational Church.

Moderator called for a vote on the amendment. Amendment was adopted.

Question on the adoption of Article IV as amended was adopted in the affirmative.

Article V: The following resolution offered by David Packard and moved its adoption, seconded by James Hargrove:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $1,824.00 be and is hereby raised and appropriated for town road aid (the State to contribute $12,155.48).

Adopted in the affirmative.

Robert Nichols made a motion that Article 6 through 28 be taken up out of order, and consider Article 29, 30 & 31, seconded by Mrs. Hedden. The Moderator called for a standing vote to take up Article 29, 30 & 31 out of order. It appeared the motion passed.

Article XXIX: The following resolution offered by Derek Owen and moved its adoption, seconded by Robert Nichols:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $10,000.00 for a Sewerage Study be raised and appropriated. (This item recommended by the Sewerage Study Committee as directed by the 1978 Town Meeting).

After much discussion Mrs. Mitchell moved the question, seconded by Les Townes.

The motion carried. Previous question called.

The article was defeated, 2/3rds of the voters present having voted NO.

Article XXX: The following resolution offered by David Packard and moved its adoption, seconded by James Hargrove:

Resolved by the Town of Hopkinton, in town meeting convened, that the Town vote to raise and appropriate the sum of $3,100,000.00 for the purpose of constructing sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and will qualify the Town for Federal Funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed $1,220,000.00 under and in compliance with the provisions of the Municipal Finance Act (N. H. RSA 33:1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Hopkinton, and to allow the Selectmen to expend such monies

as become available from the Federal Government under the Financial Assistance Program of the construction grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and pass any vote relating thereto.

Following a lengthy discussion, Mr. Rumble moved the question, seconded by Mrs. Wallace. The motion carried in the affirmative.

Mr. Nichols requested a Yes and No secret ballot for voting.

The Moderator stated the balloting would continue for an hour, and explained parlimentary situation on voting.

After the polls were closed, the Moderator stated the vote:

478 cast, 320 necessary, 336 Yes, 142 No

Article adopted in the affirmative.

Article XXXI: Harry Parker moved that this article be postponed until we know what happened to Article 30. Seconded by Robert York, and so voted.

Article VI: The following resolution offered by David Packard, and moved its adoption, seconded by Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $25,000. be and is hereby raised and appropriated for new construction of highways ($16,985.76 to be reimbursed by additional highway subsidy).

Article adopted in the affirmative.

Article VII: The following resolution offered by David Packard, and moved its adoption, seconded by John French:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $1,475.00 be and is hereby raised and appropriated, constituting increases over and above the Budget Committee recommended amount for full time police officer salaries. (This item submitted without recommendation of the Budget Committee).

Standing vote called for: Yes 232, No 179

Article adopted in the affirmative.

Article VIII: The following resolution offered by David Packard, and moved its adoption, seconded by Mrs. Charles Mitchell:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $7,827.00 be and is hereby raised and appropriated for a fifth full time police officer. (This item submitted without recommendation of the Budget Committee).

Yes and No Ballot called for by Robert York. Frank Dombrowski asked for use of Check List, seconded by Robert Moore. Gary Richardson pointed out that the Statutes required that 5 voters make request in writing that vote be taken by secret written ballot. The moderator pointed out that the voters could overrule the chair if they so wished. Robert Moore made a motion to overrule the chair, seconded by Bill Finney. The moderator presented the question on the motion to overrule the chair. Motion failed.

Proceeded to vote on article 8 with a secret Yes and No ballot, and use check list.

Yes 74, No 336

Article failed.

Article IX: The following resolution offered by David Packard, and moved its adoption, seconded by Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $10,000. be and is hereby raised and appropriated to be placed in a Capital Reserve Fund for a town garage.

Article adopted in the affirmative.

Article X: The following resolution offered by David Packard and moved its adoption, seconded by Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $20,000. be and is hereby raised and appropriated to be placed in a Capital Reserve Fund for highway equipment.

Article adopted in the affirmative.

Debra Hodges made motion to take up Article 16 out of order. Seconded by Mr. Hoyt. Motion carried, by a 2/3 standing vote.

Article XVI: The following resolution offered by David Packard, and moved its adoption, seconded by Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $35,706. be and is hereby raised and appropriated for the purchase of a new ambulance.

($4911.00 to be received from N. H. Highway Safety Agency;
$1750.00 to be received as trade-in of old ambulance;
$11,663.00 to be withdrawn from Capital Reserve Account;
$2969.00 from Revenue Sharing Funds – the Town to raise $14,413.00).

Article adopted in the affirmative.

Article XI: The following resolution offered by David Packard, and moved its adoption, seconded by Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $5,000. be and is hereby raised and appropriated to be placed in a Capital Reserve Fund for a new ambulance.

Article adopted in the affirmative.

Article XII: The following resolution offered by David Packard, and moved its adoption, seconded by James Hargrove:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $10,000. be and is hereby raised and appropriated to be placed in a Capital Reserve Fund for a re-evaluation by the State of New Hampshire.

Article adopted in the affirmative. (Re-ev. 1981, at today's cost $45,000.00, $22.00 per parcel of land).

Article XIII: The following resolution offered by David Packard, and moved its adoption, seconded by James Hargrove:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $5,000. be and is hereby raised and appropriated to be placed in a Capital Reserve Fund for land acquisition for a gravel pit.

Article adopted in the affirmative.

The moderator declared one minute recess. Thomas Johnson made a presentation of a picture of the Swenson Arch in Concord, to Kurt Swenson, in appreciation for his services as selectman.

Article XIV: The following resolution offered by David Packard, and moved its adoption, seconded by James Hargrove:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $779.00 be and is hereby raised and appropriated for support of the Community Action Program.

Article adopted in the affirmative.

Article XV: The following resolution offered by David Packard, and moved its adoption, seconded by Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $360.00 be and is hereby raised and appropriated for support of the Merrimack Valley Day Care Center. (This article is submitted without recommendation of the Budget Committee).

Standing vote called for: Yes 147, No 55

Article adopted in the affirmative.

Article XVII: The following resolution offered by David Packard, and moved its adoption, seconded by Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, to authorize withdrawal of $12,969.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act for use as a setoff against the following debt service:

1974 Fire Truck Note and Interest . . . . . .$10,000.
1979 Ambulance Note and Interest. . . . . .$ 2,969.

Article adopted in the affirmative.

Article XVIII: The following offered by David Packard, and moved its adoption, seconded by James Hargrove.

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $5,600.00 be and is hereby raised and appropriated for Stand-by pay for ambulance personnel. ($5,600.00 to be reimbursed to the town for ambulance service provided to surrounding towns).

Article adopted in the affirmative.

Article XIX: The following resolution offered by David Packard, and moved its adoption, seconded by James Hargrove.

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $5,000.00 be and is hereby raised and appropriated to join Capital Area Dispatch System.

Article adopted in the affirmative.

Article XX: The following resolution offered by David Packard, and moved its adoption, seconded by Allen Lewis:

Resolved by the Town of Hopkinton, in town meeting convened, that the

sum of $10,000.00 be and is hereby raised and appropriated for street lighting in Contoocook Precinct (this item requested by vote of Contoocook Precinct at 1978 annual meeting). (This item submitted without recommendation of the Budget Committee).

Richard Brunel moved to amend the amount to $13,581.00 and include Hopkinton Village Precinct. Seconded by Leland Wilder. The amendment was defeated.

The resolution offered by Mr. Packard on the article was defeated. Article failed.

Article XXI: The following resolution offered by David Packard, and moved its adoption, seconded by Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, that the sum of $4,300.00 be and is hereby raised and appropriated to pay for lights at the ball field at George's Park.

By a standing vote, Yes 91, No 80. Article adopted in the affirmative.

Article XXXI: The following resolution offered by David Packard, and moved its adoption, seconded by James Hargrove:

To see what action the Town will take relative to the continuance of the Sewerage Study Committee as directed at Town Meeting in 1978.

Amendment offered by Clifford Phelps: That the committee be continued and the Selectmen be authorized and instructed to meet with the committee as the need arises from time to time. Seconded by Jack French.

Mr. Dibble proposed an amendment to the amendment that the sewerage study committee be in charge of overseeing the work of the engineering firm in the construction phase. Seconded by Mr. Owen.

Question called by Mrs. Berliner, seconded by Mrs. Richardson. Carried.

Amendment to the amendment failed.

Moderator called for a vote on the amendment, that the committee structured by 1978 Town Meeting will not supervise the construction of the sewer facilities.

Defeated. Amendment to the amendment defeated.

Clifford Phelps withdrew his amendment, and Jack French withdrew his second.

James Hargrove offered the following amendment to the original article,

seconded by Thomas Johnson:

Strike out Article 31 and substitute in place thereof, the following:

To see if the Town will vote to authorize the Selectmen to reappoint a committee of not less than five (5) residents of the Town of Hopkinton to serve as a sewer committee to advise the Selectmen in connection with the design and/or construction of a sewage treatment system, and any other matters incidental to the construction of such a system which may be authorized by the Town.

Article as amended adopted in the affirmative.

Article XXII: The following resolution offered by David Packard, and moved its adoption, seconded by James Hargrove:

Resolved by the Town of Hopkinton, in town meeting convened, to authorize and direct the Selectmen to convey the real estate formerly owned by James F. Crowley and taken by tax collector's deed dated November 16, 1976, and recorded in Merrimack County Registry of Deeds in Book 1286 at page 7 to Ned Crowley upon payment of all outstanding taxes, interest and costs.

After a discussion on the article, Mrs. Mitchell moved the question, seconded by Mr. French, motion carried.

Article adopted in the affirmative.

Article XXIII: The following resolution offered by David Packard, and moved its adoption, seconded by Jessie Brown:

Resolved by the Town of Hopkinton, in town meeting convened, to authorize the Selectmen to grant a franchise to erect, install, and maintenance over, under or in the streets, highways and other public ways of the town, necessary wires, cables and other equipment related to the delivery of enhancement of television, signals and other electrical impulses in accordance with New Hampshire Laws of 1974, RSA 53-C (Supplement 1977) as amended. (This article submitted by petition).

Article adopted in the affirmative.

Article XXIV: The following resolution offered by David Packard, and moved its adoption, seconded by James Hargrove:

Resolved by the Town of Hopkinton, in town meeting convened, to authorize the Selectmen to convey a certain tract of land, presently owned by "Persons Unknown" to S. W. Stockwell.

Thomas Johnson made an amendment which he withdrew.

Mrs. French moved that this article be laid on the table and acted upon at some subsequent town meeting. Seconded by Mr. French.

Motion was approved and was adopted.

Article XXV: The following resolution offered by David Packard, and moved its adoption, seconded by Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, to require that the Selectmen before disposing of real property the title to which has been acquired by Tax Collector's Deed, first consult with the Conservation Commission, said Commission to recommend if the retention of such real property would be in the best interests of the Town as provided by RSA 80:42a subject to final radification of the next annual or special town meeting. (This article submitted by petition).

Article adopted in the affirmative.

Article XXVI: The following resolution offered by David Packard, and moved its adoption, seconded by James Hargrove:

Resolved by the Town of Hopkinton, in town meeting convened, to authorize that the Conservation Commission be empowered to manage the town forests under the provisions of RSA 31:112 (II), and that any proceeds as might accrue from said forests be placed in a separate Conservation Trust Fund to be managed by said Commission. (This item submitted by petition).

Harry Parker moved in definite postponement of this article. Seconded by Robert Poole.

By a standing vote, Yes 36, No 18

Article indefinitely postponed.

Article XXVII: The following resolution offered by David Packard, and moved its adoption, seconded by Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, to designate the so-called Clement Hill Road, from Pine Street, northerly to the Warner Town Line, in its entirety as scenic under the provisions of RSA 253:17 and 18, for the purpose of protecting and enhancing the scenic beauty of Hopkinton and further that the Selectmen of said Hopkinton shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commissioner of Public Works and Highways for town road aid funds under RSA 241:7 (I). (This article submitted by petition).

Amendment offered by Robert Greer, seconded by Paul Malenski to strike out all after "designated as scenic." Amendment defeated.

Article adopted in the affirmative as originally written.

Article XXVIII: The following resolution offered by David Packard, and moved its adoption, seconded by Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, to recommend to the Planning Board that the following be placed on the Ballot for 1980 Town Meeting: to amend the official zoning map of the Town of Hopkinton by changing the designation from R3 to B1 for that area presently designated as R3 on said map located between Interstate 89 and Spring Street Extension.

Article adopted in the affirmative.

Kurt Swenson moved to take up Articles 32 through 39 as one article, and to waive the reading of them, they having been read and properly introduced at the opening of the meeting Tuesday morning. Seconded by Mrs. Mitchell. Adopted in the affirmative by unanimous consent.

Articles XXXII, XXXIII, XXXIV, XXXV, XXXVI, XXXVII, XXXVIII,

Edward Leadbeater made motion to accept all sums provided for in Articles 32, 34 through 39, and that we vote to expend on Article 33, the income during the current year, from the G. Everett Kelly Fund, one-half for the benefit of the Hopkinton Village Library and one-half for the benefit of Bates Library. Seconded by David Packard.

Motion adopted in the affirmative.

Articles XL: The following resolution offered by David Packard:

Resolved by the Town of Hopkinton, in town meeting convened, that the reports of the town officers, trustees and committees for 1979 be accepted as printed in the Town Report, errors and ommissions excepted.

Amendment offered by Mr. Packard:

Mr. Moderator: I would like to offer the following amendment to Article 40, by substituting the year 1978 for the year 1979, so that the article, as amended, shall read:

Resolved by the Town of Hopkinton, in town meeting convened, that the reports of the town officers, trustees and committees for 1978 be accepted as printed in the Town Report, errors and ommissions excepted. Seconded by everyone.

Article adopted in the affirmative.

Article XLI: Selectman, Thomas Johnson brought before the meeting the fact that the dam at Kimball Pond swimming areas went out last year and again this year. The selectmen had taken preliminary steps and had asked Mr. Scheyd to give an idea of the construction of a proper dam and cost thereof. He also pointed out, if he remembered correctly, if the pond is not used it reverts back to the heirs. Mr. Scheyd estimated $25,000. to 30,000. for construction engineering and inspection. Mrs. Mitchell suggested it be left in the hands of the selectmen.

Thomas Johnson offered a resolution that we stand in appreciation for the services rendered by James Hargrove, selectman for the past two years.

There being no further business to transact, Thomas Johnson moved to adjourn, seconded by David Packard.

The Moderator declared the meeting adjourned at 2:12 A.M.

SPECIAL TOWN MEETING

Moderator Philip S. Dunlap, called the meeting to order at 7:45 o'clock in the evening, and read an attested copy of the Warrant, and explained parliamentary procedure for voting.

Thomas Johnson moved for the purpose of discussion, that Article 2 be taken up out of order. Seconded by Wayne Woodard. Motion prevailed.

Article 2: The following resolution offered by Wayne Woodard and moved its adoption, seconded by Janet Krzyzaniak and Thomas Johnson:

Resolved by the Town of Hopkinton, in town meeting convened, that the Town vote to raise and appropriate the sum of $5,000.00 for the design and construction of repairs to the Kimball Pond Dam.

Mrs. Hedden moved the question, seconded by Mrs. Mitchell. So moved.

By a voice vote, article adopted in the affirmative.

Article 1: The following resolution offered by Thomas Johnson and moved its adoption, seconded by Janet Krzyzaniak:

Resolved by the Town of Hopkinton, in town meeting convened, that the Town vote to raise and appropriate the sum of $3,100,000.00 for the purpose of constructing sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and will qualify the Town for Federal Funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed $1,220,000.00 under the compliance with the provisions of the Municipal Finance Act (N. H. RSA 33:1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Hopkinton, and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the construction grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and pass any vote relating thereto.

Mrs. Krzyzaniak, in behalf of the Board of Selectmen, requested permission to present a slide presentation on the severage treatment facilities. The Moderator granted her request.

Mr. Vogt offered an amendment to read as follows, seconded by Mr. Fredyma:

Amend Article 1 by striking everything after the words – "raise and appropriate the sum of" and inserting in its place the following: "$2,600,000 for the purpose of constructing of sewerage and sewage treatment facilities with a capacity of no more than 120,000 gallons per day and limited to serving no more than the area designated as Phase One on the map prepared by Anderson-Nichols entitled, "Water Pollution Control Facilities for the Town of Hopkinton, N. H., contract No. 1 as signed and sealed by Leory W. Long" and which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and will qualify the town for federal funds, such sum to be raised by the issuance of Serial Bonds or notes not to exceed $1,192,000 under and in compliance with the provisions of the Municipal Finance Act (NH RSA 33:1 et seq., as amended) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other action as may be necessary to effect the issuance, negotiations, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hopkinton, and to allow the selectmen to expend such monies as become available from the federal government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and further authorize the Town Moderator to appoint an Ad Hoc committee of five (5) or more citizens of the town to advise and counsel the selectmen regarding the planning and construction of the facilities and any proposed sewer ordinance and further authorize the selectmen to expend not in excess of $10,000 of the above appropriated funds for the expenses of the Ad Hoc Committee; and further stipulate that no contract for engineering or construction of the sewage or sewerage treatment facilities be entered into by the selectmen without the advice and consent of the Ad Hoc committee. It is recommended that the members of the Ad Hoc committee be representatives of the various sections of the town.

Mrs. Dorothy Mitchell offered an amendment to the amendment by striking out the following, seconded by Mr. Otis: I wish to amend the amendment by striking out the words following "the Ad Hoc committee" and picking it up where it says, "It is recommended . . ", "and further stipulate that no contract for engineering or construction of the sewage or sewerage treatment facilities be entered into by the selectmen without the advice and consent of the Ad Hoc committee," so that the amendment as amended shall read:

"$2,600,000 for the purpose of constructing of sewerage and sewage treatment facilities with a capacity of no more than 120,000 gallons per day and limited to serving no more than the area designated as Phase One on the map prepared by Anderson-Nichols entitled, "Water Pollution Control Facilities for the Town of Hopkinton, N. H., contract No. 1 as signed and sealed by Leroy W. Long"

and which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and will qualify the town for federal funds, such sum to be raised by the issuance of Serial Bonds or notes not to exceed $1,192,000 under and in compliance with the provisions of the Municipal Finance Act (NH RSA 33:1 et seq., as amended) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiations, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hopkinton, and to allow the selectmen to expend such monies as become available from the federal government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and further authorize the Town Moderator to appoint an Ad Hoc committee of five (5) or more citizens of the town to advise and counsel the selectmen regarding the planning and construction of the facilities and any proposed sewer ordinance and further authorize the selectmen to expend not in excess of $10,000 of the above appropriated funds for the expenses of the Ad Hoc committee. It is further recommended that the members of the Ad Hoc committee be representatives of the various sections of the town.

Mrs. Hare moved the previous question, seconded by Les Townes. Question called. Voted in the affirmative.

The Moderator called for a vote on the adoption of Mrs. Mitchell's amendment to the amendment. After having called for a voice vote twice and still being in doubt, he called for a standing vote: Yes 232, No 119.

Mrs. Mitchell's amendment passed.

Question now on the amendment offered by Mr. Vogt as amended by Mrs. Mitchell.

Dick Satter offered an amendment to amendment to the amendment, seconded by Gary Richardson, to strike out "and further authorize the selectmen to expend not in excess of $10,000 of the above appropriated funds for the expenses of the Ad Hoc committee," so that the article as amended shall read:

"Resolved by the Town of Hopkinton in town meeting convened, that the sum of $2,600,000 be and is hereby raised and appropriated for the purpose of constructing of sewerage and sewage treatment facilities with a capacity of no more than 120,000 gallons per day and limited to serving no more than the area designated as Phase One on the map prepared by Anderson-Nichols entitled, "Water Pollution Control Facilities for the Town of Hopkinton, N. H., contract No. 1 as signed and sealed by Leroy W. Long" and which are requirements

contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and will qualify the town for federal funds, such sum to be raised by the issuance of Serial Bonds or notes not to exceed $1,192,000 under and in compliance with the provisions of the Municipal Finance Act (NH RSA 33:1 et seq., as amended, and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiations, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Hopkinton, and to allow the selectmen to expend such monies as become available from the federal government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and further authorize the Town Moderator to appoint an Ad Hoc Committee of five (5) or more citizens of the town to advise and counsel the selectmen regarding the planning and construction of the facilities and any proposed sewer ordinance. It is recommended that the members of the Ad Hoc committee be representatives of the various sections of the town.

Mr. Hampe moved the previous question, seconded by Mr. Fredyma. Moderator called the previous question, and by a voice vote, it was voted in the affirmative.

The Moderator called for a voice vote on Dick Satter's amendment. The chair was in doubt, and called for a standing vote: Yes 163, No 152. The amendment passed.

Question now on the amendment offered by Mr. Vogt as amended.

Mr. Wells called the previous question, seconded by Mr. Fredyma. By a voice vote the previous question was called, and carried in the affirmative.

The Moderator called for a voice vote on Mr. Vogt's amendment as amended and the amendment was adopted.

Moderator announced that, having voted for the amendment, voting would be on the main motion which would be done by Yes and No secret ballot.

Moderator stated the question was now on Article 1 as amended by recent vote and open for further discussion and amendment.

Joseph Ransmeier moved the previous question, seconded by Mr. Wells. Moderator stated we would proceed with Yes and No ballot.

Derek Owen asked for a paper ballot on Mr. Vogt's amendment. Mr. Hare

asked for a standing vote in place thereof, and Mr. Owen agreed to it. By a standing vote on Mr. Vogt's amendment, Yes 193, No 156. Amendment adopted.

Moderator announced that voting was on amended Article 1, by secret Yes and No ballot, and that the polls would remain open for one hour, 10:30 to 11:30 p.m.

Article 3: The following resolution offered by David Packard and moved its adoption, seconded by Paul Otis:

Resolved by the Town of Hopkinton, in town meeting convened, that the Town vote to raise and appropriate the sum of $10,000.00 to retain the engineering firm of Dubois & King, Concord, New Hampshire, to conduct a sanitary survey of the Contoocook Village District with expressed attention to establishing the minimum requirements for complying with Federal mandate for cessation of sewage discharge into the Contoocook River. (This article submitted by petition and not pursuant to the Decree of Superior Court.)

Robert Nichols moved the article be laid on the table, seconded by Mrs. Wallace. By a voice vote, it was voted that Article 3 be laid on the table.

Chuck Druding moved to over-rule the chair on Joseph Ransmeier's motion. Seconded by Robert Nichols. By a voice vote the motion was lost.

After the polls closed for the Yes and No secret ballot on Article 1 as amended, the result was as follows:

Total votes case 363, necessary for 2/3 majority 242,

Yes 312, No 51

Article 1 as amended was adopted in the affirmative.

Article 3: Allen Lewis moved that Article 3 be taken from the table. Seconded by Mr. Nichols. A voice vote was called and the chair was in doubt. A standing vote was called: Yes 86, No 43. Motion to take from the table prevailed.

Mr. Pierce moved to reconsider Article 3, seconded by Mrs. Gaskell, and voted in the affirmative.

Mr. Parker moved that action on this article be indefinitely postponed. Seconded by Mr. Marden.

Previous question called by Mr. Marden and seconded by Jr. Turcotte. Ques-

tion called. Voted in the affirmative.

Article 4: There being no further business to come before the meeting, the Moderator declared the meeting adjourned at 12 o'clock midnight.

Other Liabilities	130.43	185.32	00	(54.89)	185.32
Working Capital	$2,043.19	$4,305.76	$5,782.64	$2,262.57	$1,476.88

NOTES TO FINANCIAL STATEMENTS

Note 1: The accompanying financial statements have not been audited.

Note 2: The Income Statement does not treat the payments made on principle of debt during each year as expense. Such payments during the year were $4,925.00 in 1978 and $5,425.00 in 1979. The receipt of debt proceeds are not included as revenue.

Note 3: Depreciation is calculated by the straight line method bases on the estimated useful lives of the assets.

CONTOOCOOK FIRE PRECINCT

The year 1979 was relatively uneventful in the area of Precinct affairs.

As reported by the Precinct Commissioners in 1978, the New Hampshire Water Supply and Pollution Control Commission (WSPCC) directed all communities utilizing surface water supplies and relying upon chlorination as the only means of treatment " . . . to undertake a Preliminary Engineering Study and Report in order to determine the magnitude and type of additional treatment necessary to insure fitness and safety and provide adequate protection of the public health consistent with the requirements of . . . " both Federal and State safe drinking water legislation. Following authorization for the study at the 1979 annual Precinct meeting, the Precinct Commissioners engaged Environmental Engineers, Inc. of Concord, N. H. to conduct the work associated with the required study. At this writing, the study is substantially complete, and it is expected that the final report will be presented to the Precinct in the near future. No action relative to this matter is contemplated or required at the 1980 annual Precinct meeting. Copies of the report will be made available on a loan basis for review by interested Precinct voters upon request.

Two years ago, in efforts to prevent unauthorized entry and illegal use of the Bear Pond watershed for recreational purposes, the Commissioners, at considerable expense to the Precinct, installed case hardened chains across the access roads to the pond. This past spring, much to our dismay and disgust, it was discovered that some person or persons unknown, apparently unable to cut the chains with hacksaw or bolt cutters, felled the trees to which they were secured and stole the chains. In addition to the intolerable act of vandalism which this represents, it permits free access to Bear Pond, thus exposing the water supply to the possibility of contamination and associated risk to public health.

In a more positive vein, Commissioner and Superintendent Norman Greenly successfully completed a course on waterworks operation and maintenance offered by the State. This will undoubtedly assist him in becoming a certified waterworks operator in accordance with requirements established during the 1979 Legislative Session.

Finally, in September, the Precinct Commission accepted with regret, the resignation of Donald Wither who moved to an area of town outside the Precinct boundaries. We believe Mr. Wither deserves thanks from Precinct residents for his efforts on their behalf over the past three years. The Commissioners appointed Philip Cole to fill Mr. Wither's unexpired term.

Respectfully submitted,

Philip B. Cole
Norman E. Greenly
Russell A. Nylander
PRECINCT COMMISSIONERS

1980 BUDGET OF THE CONTOOCOOK FIRE PRECINCT

APPROPRIATIONS OR EXPENDITURES	Commissioner's Budget Current Year	Recommended By Budget Committee
Wages:		
Salaries	$ 1,175.00	$ 1,175.00

SCHOOL BOARD

The State of New Hampshire

Hopkinton School District

SCHOOL WARRANT

To the inhabitants of the School District in the Town of Hopkinton qualified to vote in district affairs:

You are hereby notified to meet at the Hopkinton High School Gymnasium on the 26th day of March 1980 at 7:00 o'clock in the evening to take action upon the following subjects:

1. To choose agents, auditors or committees in relation to any subject embraced in the warrant, or to take any other action relating thereto.

2. To see if the District will vote to raise and appropriate the sum of $1,817,500.00 for the purpose of building, furnishing, equipping and renovating additions to existing High School Building within the Hopkinton School District in accordance with plans developed by the Hopkinton School Board, said sum to be raised by the issuance of bonds or notes of the District pursuant to the terms and conditions of RSA 33, the Municipal Finance Act, upon terms and conditions as may be deemed in the best interest of the District by the School Board, or take any other action in relation thereto.

3. To see if the District will vote to raise and appropriate the sum of $674,700.00 for the purpose of building, furnishing, equipping and renovating additions to existing Elementary School Buildings within the Hopkinton School District in accordance with plans developed by the Hopkinton School Board, said sum to be raised by the issuance of bonds or notes of the District pursuant to the terms and conditions of RSA 33, the Municipal Finance Act, upon terms and conditions as may be deemed in the best interest of the District by the School Board, or take any other action in relation thereto.

4. To hear reports of agents, auditors, committees and officers chosen and to take any action relating thereto.

5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the District, or to take any other action in relation thereto.

6. To see if the District will vote to raise and appropriate the sum of five thousand dollars ($5,000.00) as a contingency fund or take any other action in relation thereto.

7. To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the District any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the U.S. Government or from the State of New Hampshire for the school year 1980-81 and to appropriate any funds received from said grants to the payment of obligations of the District for which said funds constitute reimbursement, or take any other action in relation thereto.

8. To see if the District will vote to authorize the School Board on its behalf to enter into and bind the District to any requisite agreements with the District of Concord and the State Board of Education, so that the District will be enabled to participate in the Regional Vocational Educational Center Program conducted in the Concord School District serving Region II, this authorization to be limited to the 1980-81 school year, or to take any other action in relation thereto.

9. To see if the District will vote to change the title of the office of Financial Coordinator for the School Administrative Unit No. 24 to Business Administrator, School Administrative Unit No. 24. Further, to ratify the appointment of David Hill as Business Administrator with the authority to perform the functions of the office in accordance with the laws of New Hampshire, or take any other action in relation thereto.

10. To see if the School District will instruct the School Board to study the feasibility of establishing its own School Administrative Unit within the confines of the New Hampshire Statutes. This study should encompass the educational aspect, financial aspect, special education aspect, and any other area necessary. Further to instruct the School Board to appoint a Committee of five citizens to assist in conducting this study and to report back at the Annual School Meeting to be held during the month of March in the year 1981, or take any other action in relation thereto. (BY PETITION)

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Hopkinton this 26th day of February 1980.

Joseph Desmond
Judith Ketterer
Sue McKinney
John Boatwright
Betsy Wilder

EXPLANATION PROPOSED BUDGET 1980-1981

Categorical Breakdown	Adopted 1979-1980	Proposed 1980-1981	Change
REGULAR INSTRUCTIONAL PROGRAMS			
Salaries	747,543	848,849	+101,306
Employee Benefits	88,911	114,413	+ 25,502
Film Rental	- 0 -	1,302	+ 1,473
Textbooks	14,259	18,274	+ 4,015
Reference Materials	4,679	1,491	– 3,188
New Equipment	14,558	12,012	– 2,546
Replacement Equipment	11,421	9,751	– 1,670
Vocational Ed. Tuition	1,600	3,200	+ 1,600
Federal Programs	5,000	5,000	NONE
Other Expenses	- 0 -	800	+ 800
Driver Education	7,500	4,000	– 3,500
PROGRAM TOTAL	947,338	1,072,432	+125,094

SALARIES

The increase in the Salary Account reflects terms of the negotiation of the Master Contract Salary Schedule for the professional staff and aides. It is anticipated that next year we will have an increase in the number of kindergarten students so that it will be necessary to have two morning sessions and two afternoon sessions thus an additional one-half day is included in the budget for staffing the second afternoon session.

EMPLOYEE BENEFITS

The increase in the Employee Benefit reflects the anticipated fifteen percent rate increase in the Blue Cross-Blue Shield Program plus an increase in the State Retirement Benefits which are based on salaries and the increase in Social Security and Federal Unemployment Compensation Act Funds.

REMAINING ACCOUNTS

The remaining increases and decreases are a result of inflationary trends and curriculum changes and result in a net decrease in the overall budgetary process.

SPECIAL EDUCATION PROGRAMS

Salaries	- 0 -	7,947	+ 7,947
Employee Benefits	- 0 -	528	+ 528
Supervisory Union #24	22,811	26,022	+ 3,211

Occupational Therapy	5,000	4,526	– 474
Physical Therapy	2,200	4,686	+ 2,486
Transportation	- 0 -	7,304	+ 7,304
Tuition	31,456	36,617	+ 5,161
PROGRAM TOTAL	61,467	87,630	+26,163

SALARIES AND EMPLOYEE BENEFITS

This account is for the employment of the three part time aides for special education students. This position is mandated by Federal and New Hampshire Law. These are now active positions, however, were not included in previous budget.

SUPERVISORY UNION NO. 24

This is our share of the special education budget of the Supervisory Union No. 24. See reference to Supervisory Union No. 24 budgetary explanation for pro rata share. This item is included in Category 1400 in previous year's budget.

OCCUPATIONAL AND PHYSICAL THERAPY

These accounts show a net increase of $2,012.00 and represent increased cost pertaining to this activity for special education students as mandated by law.

TRANSPORTATION

This account is broken out from all transportation as it pertains to handicapped only. Part of this figure is reimbursed by the State of New Hampshire.

TUITION

This account shows an increase, the majority of which is offset by revenue from the State of New Hampshire. Please refer to the revenue section of the school budget. This item is for students requiring outside additional schooling and includes handicapped children attending approved schools at the state average tuition base.

STUDENT ACTIVITIES

Salaries	10,812	12,107	+1,295
Other Expenses	817	944	+ 127
PROGRAM TOTAL	11,629	13,051	+1,422

SALARIES

Salaries in the Student Activities Account have changed as were negotiated in our three year Master Contract.

OTHER EXPENSES

Other Expenses represent supplies and materials for interscholastic athletic programs.

ATTENDANCE SERVICES

Salaries	1	1	NONE

COUNSELING SERVICES (GUIDANCE)

Salaries	22,495	25,715	+3,220
Employee Benefits	2,902	4,383	+1,481
Other Expenses	193	108	– 85
Testing Services	1,347	1,633	+ 286
PROGRAM TOTAL	26,937	31,839	+4,902

SALARIES

These represent salaries paid to the guidance director and secretarial help according to the stipulations of the Master Contract.

EMPLOYEE BENEFITS

The increase in this account represents the projected increases in Blue Cross-Blue Shield cost, retirement cost, Federal Unemployment Compensation and life insurance benefits.

OTHER EXPENSES

Other Expenses shows a decline of $85.00.

TESTING SERVICES

This account is increased $286.00 which represents an increase in the charges to the district for tests administered to high school students relating to college and technical school entrances.

HEALTH, PSYCHOLOGICAL AND SPEECH THERAPY SERVICES

Salaries	8,427	20,876	+12,449
Employee Benefits	- 0 -	2,147	+ 2,147
Medical Exams	200	1,000	+ 800
Other Expenses	1,300	1,768	+ 468
PROGRAM TOTAL	9,927	25,791	+15,864

SALARIES

This amount represents Hopkinton's share of the School Psychologist and Speech Therapist. It also includes the school nurse whose budget was grouped under instructional previous years.

EMPLOYEE BENEFITS

Employee Benefits represents the same benefit program as all school employees receive. This includes Blue Cross, life insurance, Social Security, Security and State Retirement.

MEDICAL EXAMS

This represents medical exams given to kindergarten and new students as well as school athletes as required by state law. Dental services are included for those who may require this help.

OTHER EXPENSES

These expenses include necessary consumables used by the school nurse, audio and visual testing by school psychologist and material required by school speech therapist.

CURRICULUM AND STAFF DEVELOPMENT			
Salaries or Contracted Services	3,000	3,852	+ 852
Other Expenses	1,060	1,529	+ 469
PROGRAM TOTAL	4,060	5,381	+1,321

SALARIES OR CONTRACTED SERVICES

This amount equals that which is expected to be paid to professional staff or consultants in furthering curriculum development.

OTHER EXPENSES

This amount is for inservice education conferences, workshops and other educational seminars.

LIBRARY AND DATA PROCESSING			
Salaries	21,646	24,108	+2,462
Employee Benefits	2,381	5,318	+2,937
Textbooks	7,439	9,720	+2,281
Periodicals	2,289	2,385	+ 96
Audio Software	1,798	1,045	– 753
Supplies	952	867	– 85
Equipment	104	1,092	+ 988
Data Processing	2,400	2,800	+ 400
PROGRAM TOTAL	39,009	47,335	+8,326

SALARIES

This amount is for salary adjustment granted to Librarians in both schools as stated in the Master Contract.

EMPLOYEE BENEFITS

This amount shows a sizeable increase due to the enrollment of one employee into benefit programs not previously required. It also includes the necessary adjustments for rate increases.

TEXTBOOKS

This account is for continuing the upgrading of library reference material in each library. It is a maintenance budget when you consider inflation.

PERIODICAL

This is for renewal of subscriptions of magazines, papers and other periodicals for library use.

AUDIO SOFTWARE

This account reflects a decrease as the program has been kept at a consistent level. Money will be used in support of existing curriculum.

SUPPLIES

This account also reflects a decrease.

EQUIPMENT

This account is increased to provide additional stack shelving and replacement of some cassette recorders.

DATA PROCESSING

This account is for grade reporting and program scheduling in the high school.

SCHOOL BOARD ADMINISTRATION			
Salaries	1,665	2,015	+ 350
Contracted Services	2,385	3,384	+ 999
Other Expenses	250	250	NONE
PROGRAM TOTAL	4,300	5,649	1,349

SALARIES

This represents an increase in the school Treasurer's salary by $200.00, Social Security matching funds and moderator.

CONTRACTED SERVICES

This represents an increase in auditor's fees, an amount for checklist voting and Treasurer's supplies and $783.00 for school census.

OTHER EXPENSES

This account reflects no increase.

CONTINGENCY FUND			
Total	5,000	5,000	NONE
OFFICE OF THE SUPERINTENDENT			
Services	58,333	68,136	+9,803

SERVICES

This represents Hopkinton's pro rata share of the Supervisory Union No. 24's budget passed November, 1979. See Supervisory Union No. 24 budgetary explanation for pro rata share in this report.

OTHER SUPPORT SERVICES

Insurance:			
Workmen's Compensation	3,000	4,500	+1,500
Unemployment Compensation	11,664	9,900	–1,764
Treasurer's Bond	250	240	– 10
Other Expenses	2,230	8,384	+6,154
PROGRAM TOTAL	17,144	23,024	+5,880

WORKMEN'S COMPENSATION

This account reflects the rate increase on a state-wide basis.

UNEMPLOYMENT COMPENSATION

This account reflects a decrease based on the district's experience.

TREASURER'S BOND

A decrease was registered in this account.

OTHER EXPENSES

This account includes $4,000.00 legal fees and $3,404.00 for the accrued liability for retirement as invoiced by the State of New Hampshire. Advertising and Association Dues are now budgeted to this account.

SCHOOL ADMINISTRATIVE SERVICES			
Salaries	96,996	105,734	+ 8,738
Employee Benefits	10,966	15,710	+ 5,044
Other Expenses	14,935	14,698	– 237
PROGRAM TOTAL	122,597	136,142	+13,545

SALARIES

This account includes salaries paid to the three principals, their secretaries and related staff.

EMPLOYEE BENEFITS

This amount includes all benefits given to other employees. The Major increase is due to employees not previously covered by Blue Cross electing to do so at this time.

OTHER EXPENSES

A decrease is noted in this account. The account includes administrative office supplies (paper, postage, books, copy supplies, etc.) professionals dues, authorized travel for administrators and department head expenses.

OPERATION AND MAINTENANCE OF PLANT

Salaries	57,445	61,526	+ 4,111
Employee Benefits	6,721	9,156	+ 2,435
Other Expenses	937	982	+ 45
Supplies	20,900	28,492	+ 7,592
Contracted Services	17,810	19,595	+ 1,785
Plant Heat	32,279	54,010	+21,731
Utilities	26,434	27,796	+ 1,362
Grounds	14,825	5,400	– 9,425
Equipment	10,543	9,986	– 557
Insurance	12,743	9,690	– 3,053
New Equipment	9,000	- 0 -	– 9,000
PROGRAM TOTAL	209,637	226,663	+17,026

SALARIES

This increase represents approximately eight percent to custodians.

EMPLOYEE BENEFITS

The increase here is mostly in the Blue Cross Account with some minor increase in Life Insurance, Social Security and State Retirement.

OTHER EXPENSES

This represents travel by custodians on behalf of the school district.

SUPPLIES

Custodial supplies are increased showing price increases for maintenance items normally purchased in the usual course of duties. Supply items would include such items such as tile, window glass, hardware and lumber, paint, plumbing supplies and security lights.

CONTRACTED SERVICES

This account increased due to maintenance increases and cost of services purchased such as garbage removal for all three buildings, pumping septic tanks, master clock, plumbing, maintenance on inter-com system.

PLANT HEAT

This large increase is due solely to the current inflationary price of heating fuel and the expected increase between now and the winter of 1981.

UTILITIES

This represents an increase in the basic electrical rate of all three buildings plus water and telephone rates for all three buildings.

GROUNDS

This account shows a substantial decrease which is due to the new State Accounting System which requires proper allocation of ground upkeep material.

EQUIPMENT

This account registers a decrease. This account is service contracts on typewriters, digital computers and other equipment and for the upkeep of instrumental equipment such as audio visual, piano, drafting and science lab area.

INSURANCE

This account registers a decrease as the insurance costs have been spread throughout the entire school budget as based on the new accounting system.

NEW EQUIPMENT

This was the amount raised and appropriated under Article IX of last year's warrant to install a dust collecting system in the Hopkinton High School.

PUPIL TRANSPORTATION

Total	71,861	113,280	+41,419

This account shows a dramatic increase based on cost of gasoline at an average of $1.30 per gallon plus cost of field trips and transportation to and from athletic events.

FOOD SERVICE

Total	6,500	6,500	NONE

This is the amount the district raises and appropriates for upkeep and repairs for equipment and cafeteria related items.

MANAGERIAL SERVICES

Accountability	864	- 0 -	– 864
CETA	3,200	- 0 -	–3,200
PROGRAM TOTAL	4,064	- 0 -	–4,064

ACCOUNTABILITY

This account was appropriated to implement the state mandated Accountability Program. This having been accomplished no funds are allocated for this in this budget.

DEBT SERVICE

Principal on Debt	30,000	30,000	NONE
Interest on Debt	17,400	15,660	–1,470
PROGRAM TOTAL	47,400	45,660	–1,740

Principal bond payments continue on the 1969 addition to elementary and high school. The interest schedule is reduced as the bonds approach maturity.

FUND TRANSFERS

Food Service – Federal	29,644	29,644	NONE
Food Service – Student Fees	45,493	- 0 -	–45,493
Student Activities	15,374	11,497	– 3,877
PROGRAM TOTAL	90,511	41,141	–49,370

FOOD SERVICE – FEDERAL

The federal funds reflect no increase. This expenditure is entirely offset by revenue.

FOOD SERVICE – STUDENT FEES

This expenditure which was offset by income is no longer permissable as a general fund account under the new state requirements.

STUDENT ACTIVITIES

This account reflects a decrease based on the expected expenses incurred in the high school athletic program which includes soccer, field hockey, baseball, softball, officials, etc.

BUILDING COMMITTEE

TOTAL PROGRAM	5,000	- 0 -	–5,000

This was the amount raised and appropriated under Article VIII of last year's warrant to provide this committee with professional assistance as required to accomplish their functions.

SCHOOL BUILDING FACILITY COMMITTEE

TOTAL PROGRAM	- 0 -	2,492,200	+2,492,200

This amount is equal to the proposed bond issue for renovations and new construction for the three Hopkinton School District buildings. Separate warrant articles are included which total this amount.

REPORT OF THE SCHOOL BOARD – 1979

The Hopkinton School Board, as your elected representatives, has been pleased to participate in the educational process of the past year. Certainly, the problems have been many. However, we have also realized gains toward educational goals.

We wish to commend the professional staff of the Hopkinton School System for working with us in a cooperative manner and to thank the residents of the community who supported our efforts throughout the year.

Early in 1979 Mr. Paul Malinski submitted his resignation effective July 1, 1979 as principal of Hopkinton High School. At the time he resigned Mr. Malinski had completed three years in office. He accomplished a great deal within the Hopkinton School System and the Board wishes him well in his new endeavor in the State of Washington.

Your Board appointed a committee of citizens to screen new applicants for the position of principal of Hopkinton High School. This committee interviewed and reduced the applicants to a manageable number and referred these candidates to the superintendent's office for further interviews. Upon completion of the process three candidates were interviewed by your Board and the position was offered to Mr. Richard Alto. We welcome Mr. Alto and pledge our support in securing the finest education possible for the children of the Town of Hopkinton.

In May, 1979 your Board appointed a School Building Facility as required under Article VII of the Annual School District Meeting held March 15, 1979. This committee has prepared an in-depth analysis of the needs of the school district and have prepared solutions which are included as two warrant articles in this year's annual district meeting. If voted by the citizens of the town you will raise and appropriate by bond issue $2,492,200.00 for payment of costs incurred for additions and alterations to the existing three district school buildings. A complete report with the recommendations of the School Building Committee are included with this annual report.

Continued implementation of programs for the handicapped as required under Public Law 94-142 and New Hampshire House Bill No. 16 were accomplished. As reported in 1978 the implications for financing and space required under these laws will not be fully realized but immediate effects are significant within the school's academic program.

Your Board is pleased to report that the New Hampshire Department of Education has accepted the Accountability Project required by them which has been under study for more than one year. We acknowledge the assistance of the administration, professional staff and fellow townspeople in helping us realize a favorable program. This Accountability Program is now under the direction of the school administration and will continue to be monitored by the School Board.

At this time your Board would like to note the excellent work accomplished

by the Georges Park Administrative Committee. The renovations that were accomplished at Georges Park and the extra burden placed on the administration thereof by the heavy use of the athletic fields by the school program is acknowledged in an appreciative manner.

Your elected members of the Hopkinton School Board are fully cognizant of their entrusted responsibilities toward our students, residents and taxpayers of the community.

You may be assured that the Board is committed to a sound and basic philosophy of a well-rounded educational program for our students but with the mutual understanding that the citizens of our community are called upon to finance it.

Respectfully submitted,

Joseph A. Desmond, Chairman
Judith Ketterer, Vice Chairman

HOPKINTON SCHOOL BOARD

REPORT AND RECOMMENDATIONS OF THE SCHOOL BUILDING COMMITTEE

The School Building Committee was appointed by the School Board in May 1979, with a charge to develop specific recommendations for correcting the deficiencies in all three schools.

The Committee, with the assistance of the School Administration and Kenneth F. Parry & Associates, Inc. – Architects, has completed its work and submitted its recommendations to the School Board on January 8, 1980.

Briefly, the Committee has determined the following six broad categories of deficiencies:

I. LEARNING ABILITIES

There is inadequate space for the Learning Abilities Specialists (school psychologists, remedial reading, speech therapy, guidance, etc.) in all three schools, especially at Martin and Maple Street. Nearly 30% of these children received specialized services, which are required by law.

II. JUNIOR HIGH SCHOOL

The Junior High School should be separated from the Senior High School as much as economically feasible.

III. EDUCATIONAL

The recommended changes are too numerous to list here. They include a larger library at Maple Street, and additional teaching stations for expanded non-college programs at the High School.

IV. HANDICAPPED

Barrier-free access for handicapped students and citizens is required by State and Federal Law.

V. STORAGE

There is an acute lack of storage in all three buildings.

VI. ENERGY CONSERVATION

The increasing cost of oil now makes repairs to the original building cost effective. These repairs should include the addition of insulation and of adequate controls and ventilation.

The recommended solutions include, but are not limited to, the following:

I. MARTIN SCHOOL

A. Build two new kindergarten rooms and an elevator.
B. Renovate the present kindergarten room into administrative and learning abilities areas. (These recommendations are different as to kindergartens from the plans discussed at the Public Hearing held February 11, 1980.)

II. MAPLE STREET

A. Add administrative space and special needs rooms at the front of the building.
B. Add a new library, storage, and a teachers' room at the rear.
C. Convert present kindergarten room into a full time art room, with storage.
D. Convert present library into a music room with storage.

III. HIGH SCHOOL

A. Allocate 4 large classrooms on the first floor of the original building for the exclusive use of the Junior High.
B. Build a new administrative and guidance area adjacent to the library.
C. Add a new multipurpose/meeting room/cafeteria with kitchen and storage.
D. Renovate the existing cafeteria into Home Economics classrooms.
E. Renovate the space under the gym into storage and larger boys' and girls' locker rooms.
F. Convert 1 room into a third science lab.

G. Build an elevator and new stairwell.
H. Build a new meeting room/lecture hall/music room with storage beneath the multipurpose room.
I. Enlarge the gym for 2 concurrent physical education classes by removing the stage.
J. Convert the present music room into an additional Industrial Arts Classroom.

COSTS

The costs of these additions and alterations are estimated to be:

Martin	$ 235,500.00
Maple Street	439,200.00
High School	1,817,500.00
GRAND TOTAL	$2,492,200.00

These figures included architectural and engineering fees ($220,200) and barrier-free access needs as required by law ($112,000.00).

It is believed that the town would be reimbursed 50% of the energy conservation costs by the Federal Government, and 30% of the principal payments of the remainder by the State.

On these assumptions the tax rate would be increased by $4.04 per $1,000 of assessed valuation, in the first year, less fuel oil savings.

Respectfully submitted,

Hopkinton School Building Committee

Doug Brown	Tom Watman

SUPERINTENDENT'S ANNUAL MESSAGE

To the Citizens of the Hopkinton School District

The Hopkinton Schools remain among the finest in New Hampshire. Under the strong leadership of the Hopkinton School Board, members of the administrative team and staff have continued their cooperative efforts to maintain high standards of performance.

It has been my distinct pleasure this year to work with your building Administrators Malcolm Merrill, Dick Alto and Jim Cournoyer in a highly cooperative and professional effort to provide administrative leadership for your schools. We are all impressed with the generally high calibre performance of members of the teaching staff. The 1979-1980 teacher recruiting effort yielded several excellent new additions to our teaching staff.

There have been several noteworthy developments this year. (1) The new elementary school reading program is being successfully implemented. (2) A review of the elementary school mathematics program has been initiated. (3) Student discipline and morale appear to be at excellent levels. (4) The on going work of staff-administration to develop and implement an effective and comprehensive accountability system are progressing nicely. (5) A study has been organized under the direction of the Assistant Principal of how programs in grades 5-8 can be best organized and implemented. (6) A School Administrative Unit-wide committed has been established to develop and recommend suitable programs for gifted and talented students and (7) The Superintendent's office has been relocated in Henniker resulting in better communications and services for Hopkinton schools.

The largest single challenge facing the schools is the need for additional or redesigned space for storage, special services personnel, increased library services at the elementary level, classroom space, building modification to meet federal legislation for handicapped accessibility and building improvements designed for energy saving. It is anticipated that the School Board's Space Study Committee, ablely led by Larry Patz and Don Wither, will be developing proposals for action at this year's school district meeting. It should be noted that our elementary schools lack only two of the items necessary for meeting all of the state's minimum elementary school standards (an elementary school guidance counselor and additional elementary library space). These services and the recommended additional art teaching service, can not be met unless additional and/or renovated space is provided.

As Superintendent of Schools, my continuing goal is to see that the best possible staff and programs are available to meet the needs of your children. I believe that much has been accomplished to further these goals and assure you that your support has been greatly appreciated.

Submitted by,

Thomas J. Watman
Superintendent of Schools

1979 REPORT OF HOPKINTON ELEMENTARY SCHOOLS

The Hopkinton Elementary Schools closed in June with a pupil enrollment of 170 at the Harold Martin School and 310 at the Maple Street School – for a total of 480. We reconvened for the 1979 – 1980 school year on September 5 with 460 pupils distributed among the grades as follows:

Kindergarten	46
Readiness	10
Grade 1	52
Grade 2	60
Grade 3	84
Grade 4	65
Grade 5	67
Grade 6	76

When school opened there were seven new staff members, assigned as follows:

At the Maple Street School:

Anne Q. Hartshorn, Administrative Assistant
Deborah F. Chase Wilbur, Kindergarten
Beverly Waters, Learning Disabilities
Nina McVie, Grade 4
Roberta Nylander, Grade 5

and at Harold Martin School:

Susan Toczko, Readiness
Maria Molino, Learning Abilities

Although pupil turnover in the two schools has been relatively high, actual enrollment has remained very stable. A high turnover rate is an indication of population mobility that creates problems in instruction rather than housing. Such a statement is in no way intended to allege that our schools have no "space" problems. Needs have reached the critical point in this respect. Storage space is at a premium in both schools. We have no adequate facilities for the school nurse, the psychologist, the speech therapist, the occupational therapist and the physical therapist – all specialists who require working areas with some privacy. While programs in music and art are active, teachers have continued to endure less than satisfactory working conditions due to the lack of classrooms that are especially designed for instructing pupils in the arts.

No space exists in either elementary school which could serve as an office for an elementary school counselor, yet we have a serious need for such a person. State minimum standards call for one full time elementary school counselor for a school or schools of 500 or fewer pupils.

State standards also recommend a library twice the size of a regular classroom. Our library can seat sixteen pupils comfortably. It is the size of a regular classroom and should therefore be twice as large.

A Hopkinton Schools Building Committee is currently addressing all of the above needs in addition to others which I have probably neglected to mention.

Please make every effort to become informed of the building and renovations proposals soon to be submitted by this committee.

I ask for your support in correcting these present deficiencies, and in providing facilities which will adequately meet the educational needs of Hopkinton children for years to come.

Respectfully submitted,

Malcolm A. Merrill
Elementary Principal

HOPKINTON HIGH SCHOOL PRINCIPAL'S REPORT

The year, 1979 commemorates the 75th anniversary of Commencement exercises held at Hopkinton High School. A bench mark notching many years that the Community has provided support for the education of their young people.

Aware of the kind of commitment by the total Community, I am proud to become part of this tradition. At this time, it is with confidence that I can say, as Principal of Hopkinton High School, the leadership will continually pursue excellence in education for all our youth.

The current school year opened to see an organizational plan that places in its structure a Principal, Assistant Principal with some duties at Maple Street School, five departments each with a Department Head. The departments are English/Language, Math, Practical Arts, Science/Physical Education and Social Studies. Increased classroom visitations are emerging within this plan effecting curriculum improvement and quality teaching.

Included in the staff organization are an Athletic Director with teacher duties, a Guidance Counselor, Librarian, Remedial/Tutorial Teacher, School Nurse, Head Custodian, and Hot Lunch Supervisor. Strong support is provided by three secretaries, Principal's Secretary and Office Manager, Assistant Principal's Secretary and Guidance Secretary. There are three school Aides and a day and night custodian. Of course, the whole Hopkinton Staff is serviced by the School Administrative Unit #24 in Henniker, N. H.

The curriculum provides 139 sections of a wide variety of course offerings within the Master Schedule. These courses have written objectives and an outline for scope and sequence. This we have done in response to commendations and recommendations made by the Visiting Committee from the New England Association of Schools and Colleges. Now we feel a need to go on, for our own purposes, to revise that curriculum in directions that will enable us to come closer to the ideal of meeting the needs of our students all of the time. The initial approach being developed is suggested core programs from which students may select individual subject courses more wisely in terms of long range goals. In the future, it would be wrong to simply plunge in and miss an opportunity to harmonize our curriculum with needs as they are preceived in the Community we serve. It is time to improve communications between the professional staff and the people of the town by seeking their involvement in reshaping the curriculum. This is an exciting project to look forward to.

Since September, the school has been a busy place. The building is getting good use by Staff, Students and Community both day and night as well as on weekends.

The Student Body is an especially active group of young people. Athletic events for both boys and girls have a high participation level. A diverse number of extra-curricular activities are also enjoyed by most. The German Exchange Program hosted 25 German Students and an Instructor for three weeks. Many dances have been held. Several round table talk sessions were held at night. Excellent

Christmas Concerts were presented by the Junior High Chorus and School Band followed by the High School and Community Chorus.

In general, leadership and service are characteristics which the Student Council have demonstrated within the school.

The School Building Committee is hard at work along with the Architects who were recently appointed. The Administration and Staff were pleased with the opportunity to participate in the process.

Hopkinton's Accountability Plan is being implemented. The Administrative Team is meeting on a regular basis. An overview outline has been prepared along with procedures to set committees in motion.

Hopefully with the new decade upon us our direction through curriculum improvement, the Building Committee, Accountability Plan, Student Council involvement and increased staff development and evaluation will focus on quality learning for the individual.

I look forward to meeting each of you at various school functions and athletic events throughout the school year. We certainly need your support and help.

Respectfully submitted,

Richard A. Alto
Principal

HOPKINTON SCHOOL DISTRICT

The following staff are employed for the 1979-1980 school year:

Linda Allen	Grade 1
Sharon Baker	Business Education

REPORT OF ANNUAL SCHOOL MEETING
HOPKINTON SCHOOL DISTRICT
March 15, 1979

At the duly appointed time and place, Moderator William H. Milne read the warrant of the Hopkinton School District calling for the election of school district officers. The Moderator then declared the polls opened at 8:00 A.M., to remain open until 6:00 P.M.

In accordance with the duly posted warrant of the Hopkinton School District, the School District Moderator William H. Milne called the annual meeting of said district to order at 7:00 P.M., March 15, 1979 at the Hopkinton High School Gymnasium.

The Moderator read the Warrant.

ARTICLE I

The Moderator recognized Mr. Robert York who offered the following Motion, seconded by Mr. MacDonald:

I move that the reports of Agents, Auditors, Committees, and Officers be accepted as printed in the Annual Report.

The Motion was adopted by the Meeting.

ARTICLE II

The Moderator recognized Mrs. William Milne who offered the following Motion, seconded by Mr. MacDonald:

I move that the School Board be authorized to choose Agents, Auditors or Committees as they may feel be appropriate to school business.

The Motion was adopted by the Meeting.

ARTICLE III

The Moderator recognized Mrs. David Donahue who offered the following Motion, seconded by Mr. MacDonald:

I move that the district authorize the School Board to make application for and accept on behalf of the District any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the U. S. Government or from the State of New Hampshire for the school year 1979-1980 to appropriate any funds received from said grants to the payment of obligations of the District for which said funds constitute reimbursement.

The Motion was adopted by the Meeting.

ARTICLE IV

The Moderator recognized Mr. Donald Dorn who offered the following Motion, seconded by Mr. MacDonald:

I move that the district vote to authorize the School Board on behalf of the District to enter into and bind the District to any requisite agreements with

the District of Concord and the State Board of Education, so that the District will be enabled to participate in the regional vocational educational center program conducted in the Concord School District serving Region II, this authorization to be limited to the 1979-1980 school year.

The Motion was adopted by the Meeting.

ARTICLE V

The Moderator recognized Mr. Charles George who offered the following Motion, seconded by Mr. MacDonald.

I move that the District vote to raise and appropriate the sum $1,723,715.00 for support of schools for the payment of salaries for school district officials and agents, and for the payment of statutory obligations of the District.

The Moderator recognized Janet Hertzberg for the purpose of amending Article V which reads $1,723,715.00 to read $1,729,715.00 which reflects an in crease of $6,000 for the purpose of installing windows in the music room and in the office at the High School.

The Amendment was seconded by Mrs. Dorn. The Amendment was defeated.

Yes 38 No 42

The Moderator then recognized Mrs. Dorn for the purpose of amending Article V:

Mrs. Dorn moved to amend Article V which reads $1,723,715.00 to read $1,726,715.00 which reflects an increase of $3,000 for the purpose of installing windows in the music room.

The Amendment was seconded by Mr. MacDonald. The Amendment was defeated.

Yes 42 No 47

The Moderator recognized Mrs. Richardson for the purpose of amending Article V:

Mrs. Richardson moved to amend Article V which reads $1,723,715.00 to read $1,744,136.00 which reflects an increase of $20,421.00 for the purpose of establishing a guidance position in the elementary schools.

The Amendment was seconded by Mrs. Herbert. The Amendment was defeated on a voice vote.

Mr. Leadbeater then moved the question which was seconded by Mr. George. Motion passed in affirmative by a voice vote.

The Moderator then proceeded to read the Article as originally written.

The original Motion was adopted by the Meeting.

ARTICLE VI

The Moderator recognized Mr. Leadbeater who offered the following Motion, seconded by Mr. MacDonald:

I move that the District vote to raise and appropriate the sum of five thousand ($5,000) as a contingency fund.

The Motion was adopted by the Meeting.

ARTICLE VII

The Moderator recognized Mr. Donald Wither who offered the following Motion, seconded by Mr. MacDonald:

I move that the District, as a result of the report of the School Facility Study Committee, vote to appoint a School Facility Building Committee consisting of nine (9) members to be appointed by the school board; said Committee to be authorized to study the future facility requirements of the Hopkinton School District and to make a report to the District no later than the next Annual School District Meeting concerning their determinations and recommendations.

The Motion was adopted by the Meeting.

ARTICLE VIII

The Moderator recognized Mr. Lindsey Collins who offered the following Motion, seconded by Mr. MacDonald:

I move that the District vote to raise and appropriate the sum of five thousand dollars ($5,000) to be used, if required, by the School Facility Building Committee and to be dispersed only upon approval of the School Board, to provide the services of Architects, Engineers, or other professionals to assist the Committee in making the necessary recommendations regarding the future needs of the Hopkinton School District Facilities.

The Motion was adopted by the Meeting.

ARTICLE IX

The Moderator recognized Mr. David Perrin who offered the following Motion, seconded by Mr. MacDonald:

I move that the District vote to raise and appropriate the sum of nine thousand dollars ($9,000) for the purchase and installation of a dust collecting system in the Hopkinton High School woodshop. (By Petition).

The Motion was adopted by the Meeting.

The Moderator then proceeded to address the Meeting and announce the amount of money raised by this Meeting as follows:

The sum of $1,723,715.00 under Article V for the support of the schools for the upcoming year.

The sum of $5,000.00 under Article VI as a contingency fund.

The sum of $5,000.00 under Article VIII for use by the School Facility Building Committee.

The sum of $9,000.00 under Article IX for the purchase and installation of a dust collecting system.

The total amount raised by the Meeting was $1,742,715.00.

Moderator Milne announced to the Meeting the results of the 1979 Election of School District Officers. Including 13 absentee ballots, a total of 1,036 votes were cast.

For Moderator: (write-ins)	
William H. Milne	98
Philip S. Dunlap	53
Scattered	65
For Clerk: (write-ins)	
Kenneth MacDonald	27
David Packard	10
Scattered	74
For Treasurer:	
Douglas H. Brown	877
Scattered	1
For School Board – three year term, two to be elected:	
Joseph A. Desmond	807
Judith F. Ketterer	756
Scattered	19

Mr. Kenneth MacDonald chose not to accept the Office of Clerk and the Moderator declared this office vacant.

There being no further business to come before this Meeting, upon Motion of Mr. Desmond, the Meeting was adjourned at 8:25 P.M., whereupon duly elected officials of the District were administered their oaths of office by Moderator Milne.

Respectfully submitted,

Kenneth W. MacDonald, Clerk
William H. Milne, Moderator
